Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.

AND GOD SAYS . . .

The king's heart is in the hand of the Lord; he directs it like a watercourse wherever he pleases. (Proverbs 21:1)

Probably no king illustrates this truth more than the Babylonian king, King Nebuchadnezzar. Although secular history records King Nebuchadnezzar as a particularly brutal and powerful king, the prophet Jeremiah three times records God referring to King Nebuchadnezzar as "my servant" (Jeremiah 25:9; 27:6; 43:10). In these three references, God tells us that King Nebuchadnezzar is his servant specifically to humble Judah and Jerusalem by bringing judgment upon them for their idol worship and disobedience, to rule over his people for 70 years, and to judge Egypt.

God worked in King Nebuchadnezzar's life in very unique ways, even though history tells us that he was a polytheist and worshiped specifically the heathen gods, Nabu and Marduk. But, through specific events in his life, Nebuchadnezzar came to worship the one true God, the God of Daniel and Shadrach, Meshach, and Abednego, as the greatest God.

The point is, God used Nebuchadnezzar and called him his servant before he ever acknowledged him as God, knew anything about him, or lived any kind of moral life. Instead, God called him and used him as his servant at the same time as he revealed himself to the King as the one True God. So God is not limited to using only those leaders who fit our mold of the upright, moral, church-going believer. In fact, Romans 13:1 declares that we are to "submit [ourselves] to the governing authorities, for there is no authority except that which God has established."

Please do not take this to mean that I am advocating blind obedience to our elected officials. I most certainly am not. Even Daniel and his three friends illustrate the need to disobey, no matter what the cost to themselves personally, when the authority required them to act contrary to God's will. What I am saying is that we need to work with our leaders to bring about the changes needed in our country and take a stand for righteousness while doing so.

Clark County Humane Society's Pet of the Week

"ARISTOTLE"

Aristotle is the CCHS Pet of the Week!

Aristotle came to CCHS with a bunch of other kitties that were strays and needed to find new homes. Aristotle is best friends with his brother, Socrates, and they are the most handsome kitties ever!! They are 4 months old and have gorgeous long-haired coats with floofy tails. Aristotle is black and white and weighs 5.6#. Socrates is orange and white and weighs 4.9#. As handsome as they are, these boys have even nicer personalities. They are sweet and cuddly and thrive on love and attention. They promise to bring lots and lots of happiness to their new family. They'd love to join their new family together! Apply for Aristotle and Socrates today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially kittens and puppies, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
