Thank You

We would like to take a moment to thank our retired Clark County Coroner Richard Schleifer for all he did for our Clark County Community for the past 43 years (22 years as coroner/21 as deputy coroner).  
Every suicide, homicide or other tragic death, Richard responds. Every time unidentified remains are found or unearthed, Richard responds no matter the time or day. He has been on call 24 hours a day, seven days a week. Despite running on little sleep and seeing some of the worst scenarios one can imagine, he is still able to treat every family he comes across with compassion, professionalism and respect.  
Richard Schleifer has what I believe to be one of the most thankless jobs in our community. Yet what he did for us on a daily basis is of paramount importance.  
Informing a family that their loved one has passed or working tirelessly to answer the hard questions of how someone died cannot be easy work. We are all thankful we had someone so dedicated performing it.  
Thank you from the bottom of our hearts,

AND GOD SAYS . . .

Several years ago I read the book, *Can Man Live without God*, by Ravi Zacharius. The ultimate answer to that question is “no.” He will sooner or later destroy himself.

Ravi’s book is not without good logic and authority. God says the same truth in Prov 16:25, “There is a way that seems right to a man, but in the end it leads to death.” The book of Judges teaches the same truth. In the time when the judges ruled Israel, the Bible declares that “everyone did what they thought best ” and it led to chaos, disorder and death.

We are all aware of the growing hostility against Chris-  
tianity. We have heard that our U. S. Constitution erects a  
“wall of separation between church and state”often enough  
and long enough so that most people believe it is true. On  
the basis of this wrong premise Christianity continues to  
be eradicated from public life. But without the moral law of  
Christianity, there is no basis for right and wrong.

For America and most of the world, because God is no  
longer allowed in the public square, government has had  
to become our highest authority. This is why we have had  
between one and two thousand bills introduced each year  
since 1993 in Wisconsin alone. Without God we have no  
direction and no sense of right and wrong. Therefore we are  
forced to enact laws to direct our lives according to “what  
we think is best”. I, for one, prefer the Ten Commandments  
to the abundance of petty laws ruling our lives today.

But these laws do not stop the advance of the culture of  
death we are living in today. In spite of all of the anti-gun  
legislation, the so-called hate crime legislation, the anti-rac-  
ism legislation, and the anti-terrorism legislation, violent  
crime is out-of-control. Violence will never be overcome by  
external, man-made laws, but by God writing His laws on  
our hearts so that we are changed from the inside out. This  
is what God wants to do in our lives through His Son, Jesus  
Christ. God says it this way, “Therefore, if anyone is in Christ,  
he is a new creation; the old has gone, the new has come!”  
(2 Corinthians 5:17)

Clark County Humane Society's Pet of the Week

"SIRE"

Sire is the CCHS Pet of the Week!

Sire came to CCHS as a stray from the Thorp area, along with several of his friends. Sire is about 5 months old and weighs 4.5#. He is a good-looking guy with a handsome short-haired Brown Tabby coat. Sire is still a kitten, so he enjoys playing with toys and would love to entertain you for hours. He also enjoys petting and being with people. He is curious and loves to check out the world around him, and really enjoys watching our birdfeeders outside the windows at Kitty City. He'd love to share his happy outlook on life with you! Don't forget we have a 2-for-1 cat adoption special, so you can adopt Sire and a friend for just \$30. It's an amazing deal! You can submit your adoption application on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!
