# CO-OP MONTH OCTOBER 2023

## Cooperatives are Part of Your Life

Celebrated by cooperatives nationwide during the month of October, National Co-op Month is an annual opportunity to raise awareness of a trusted, proven way to do business and build resilient, inclusive communities. Under the theme, “Owning Our Identity,” this year’s Co-op Month is also a chance to lift up what makes cooperative businesses unique in the marketplace. Guided by a set of shared principles and values—among them democracy, equity and solidarity—co-ops are hardwired for economic and societal transformation. In a moment when corporations are scrambling to find an identity outside of maximizing shareholder value, that’s a meaningful difference.

This October, we invite cooperators nationwide to consider more deeply what it means to be a cooperative. Our identity sets us apart, but has it stood the test of time? Could our principles and values more accurately reflect our shared identity? The last quarter of 2023 is a generational opportunity to truly “own” our identity.

### CO-OP MONTH FUN FACTS

- Minnesota was the first state to declare an official Co-op Month proclamation in 1948.
- Co-op Month has been a nationally recognized celebration since 1964, when U.S. Secretary of Agriculture Orville Freeman, a former Minnesota governor, proclaimed October Co-op Month.
- The first national Co-op Month theme, in 1964, was “Cooperatives: USDA Helps Build a Better America.”
- The U.S. Government sponsored Co-op Month from 1964-1970

## AND GOD SAYS . . .

**On Sunday, the speaker at our church spoke on Acts 5, the passage about the apostles preaching and teaching about Jesus with great effectiveness in the public square. Many, many people believed and were added to their number. All the sick and those tormented by evil spirits that were brought to them were healed (Acts 5:14-16).**

But this did not go unnoticed by the religious authorities. In fact, they become so jealous that they had the apostles arrested. But during the night, an angel of the Lord released them and told them to “tell the people the full message of this new life.” This they did.

So the authorities had them brought before the court again and reminded them that they had been given strict orders not to preach in Jesus' name. That is when Peter and the other apostles said, "We must obey God rather than men!" (Acts 5:29-30).

The leaders didn't know what to do. That is when a Pharisee named Gamaliel told the Sanhedrin, the Jewish court,  
 "... in the present case I advise you: Leave these men alone! Let them go! For if their purpose or activity is of human origin, it will fail. But if it is from God, you will not be able to stop these men; you will only find yourselves fighting against God." Acts 5:38-39.

When I read this on Sunday, I thought, "Need there be a greater testimony to validate the truth of Jesus, the only Son of God, and the new life He offers us through His death and resurrection."

Sinful, rebellious mankind has been relentless in their opposition to Jesus Christ and his message of hope. They have banned His word, the Bible, and they have persecuted and killed His people, the Jews as well as believers in Jesus, throughout history.

But yet the church grows stronger. In fact, the greater the intensity of the opposition, the stronger the true church becomes. This is God's way. And this will continue until the day that God reveals His wrath against Satan and his followers. At that time, God will overthrow His enemies, once and for all, and His followers will be rewarded for their faith in Him. That is the day we continue look forward to. God's plan cannot be stopped.

Thorp Historical Museum

Will be Open 10am-4pm

307 W. Birch St.

Did you know that the Thorp Museum has a cello that was owned and played by Civil War Veteran John H. Norton? Mr. Norton moved to Thorp and raised his family here in the 1880's and 1890's. He is buried in East Cemetery. Come hear his great granddaughter, Pat Norton, a cellist herself, demonstrate this cello and imagine you are part of the vibrant scene at a barn dance in Thorp long ago.

Performances will be at 11am & 2pm at the museum
