# HOW BAD DOES IT HAVE TO GET?

- Record inflation that destroys the middle class.
- High energy costs that drive up the cost of everything.
- Failing public schools, causing long-term effects to our children and communities.
- Murders increased 82% and car thefts increased more than 111% in Wisconsin since Evers/Barnes were elected.
- Evers/Barnes have paroled or pardoned almost 1,500 criminals across Wisconsin, including 300 convicted murderers or attempted murderers, and 47 child rapists, some of whom are extremely dangerous and are on our streets in Jackson County.
- Evers/Barnes turned their back on local law enforcement and worked to defund the Police.
- Allowing open national borders and defunding ICE; which means illegal, unvetted immigrants and drugs are able to flood into our nation.
- Woke policies that degrade our military and have caused a 25% shortfall in recruitment.
- Failed foreign policies that escalate tensions with Russia, the war in Ukraine, and increase risk of global conflict.

# From Rilyn & her family... Thank You

to everyone who has supported us - emotionally, financially, informationally - it is all so appreciated. Although Rilyn is extremely strong and has a wonderful spirit, the journey in front of us will be tough. We know we are loved and supported by an amazing community - both close and far away - and for that we are grateful. When we head to Maryland is still unknown but it's looking like we might be out there during the month of December. From the bottom of our hearts.... thank you.

~ Love, Rilyn, Brienna, Jesse & Heather ~

BRF MASONIC Lodge #74 meetings held the 2nd & 4th Thursdays of the month at 7:30pm. (except July & August).

AMERICAN LEGION Post 200 meets the first Thursday of each month from February through December at 7pm.

# AND GOD SAYS . . .

There are six things the Lord hates, seven that are detestable to him: haughty [proud] eyes, a lying tongue [“the border is secure”], hands that shed innocent blood [abortion], a heart that devises wicked schemes, feet that are quick to rush into evil, a false witness who pours out lies and a man who stirs up dissension among brothers [community organizers]. (Proverbs 6:16-19)

It is not surprising to me that this description is a perfect fit describing the culture of today. We are a nation that was once blessed by God but now have become a nation that is detestable to him. Just think about it, what leaders can you think of that publicly admit to their need to depend on God for the healing of our nation? Instead, they exalt themselves as those who have the answers to fix our nation while mocking, marginalizing and oppressing those who depend on God.

We are detestable to God because we are a lying culture. Some years ago a young person told me they only lie about little things. But, sad to say, it is much worse than that. David Giffen, an American business magnate, producer and film studio executive, in 2007 told New York Times columnist Maureen Dowd that “Everybody in politics lies, but do it with such ease, it’s troubling.”

We are detestable to God because we “shed innocent blood.” As of January, 2022, we have killed more than 63.5 million babies through abortion. Now we have California legalizing infanticide with New York entertaining the same laws.

We are detestable before God because we allow wickedness to prevail while we criminalize righteousness, calling evil good and good evil. Just a quick example is the BLM protests, which were called “mostly peaceful,” as buildings were being burned, businesses looted, people attacked, beaten and even killed and those arrested were released without charges, while a January 6th protest was called an insurrection and people arrested and imprisoned, without charges filed for over a year and treated to the most horrible conditions, who are still awaiting a trial.

Need I go on? My point is, that unless we once again honor God by humbling ourselves before him by accepting his values and commands and admitting our need of His intervention, there only awaits great judgment upon our nation. Believe it or not, our national sins will have great consequences on our future.

## Mom Is Thriving at Neillsville Retirement Community

Ask Us About Our Move-In Special

We thought it best if Mom stayed in her house, but, even with expensive home care, Mom wasn't thriving. We're so happy she moved to Neillsville Retirement Community. Her life is more complete in a community with lots of friends and activities, exceptional dining, personalized care, and even transportation to appointments and outings. Mom is so happy now. We only wish she'd moved much sooner.

TULSI GABBARD, FORMER DEMOCRATIC CONGRESSWOMAN

AND DEMOCRATIC PRESIDENTIAL CANDIDATE,

LEAVES THE DEMOCRATIC PARTY

TULSI GABBARD

“I can no longer remain in today’s Democratic Party that is now under the complete control of an elitist cabal of warmongers driven by cowardly wokeness, who divide us by racializing every issue & stoke anti-white racism, actively work to undermine our God-given freedoms, are hostile to people of faith & spirituality, demonize the police & protect criminals at the expense of law-abiding Americans, believe in open borders, weaponize the national security state to go after political opponents, and above all, dragging us ever closer to nuclear war. I believe in a government that is of, by, and for the people. Unfortunately, today’s Democratic Party does not. Instead, it stands for a government of, by, and for the powerful elite. I’m calling on my fellow common sense independent-minded Democrats to join me in leaving the Democratic Party. If you can no longer stomach the direction that so-called woke Democratic Party ideologues are taking our country, I invite you to join me.”

**SUBSCRIBE TO THE BANNER JOURNAL OR CLARK COUNTY PRESS, CALL 715-284-4304**

**Whats the truth?**

I have a question, is abortion murder? Let me say something real quick and then I'll answer that.

I've always been against abortion, I have always thought it was wrong, I've made good arguments against it, but I don't think I have ever realized how wrong.

Think. Really think, think of the pain that the baby goes through. Maybe you think that the mom doesn't need or want the child, but the child wants her, and the baby definitely does NOT want to die. So think, if you could talk when you were born, would you have said, "Mom? Dad? Can you please kill me? Rip my arms off while you're at it, and squish my skull too!" People who are about to commit suicide don't even think of that!

But why?

Because they can feel and they can hurt. Because they feel pain! Just like you do! They may not be completely developed right after fertilization, but they have a heartbeat at just 21 days after fertilization! But that aside, they are still living creatures of God!

But maybe you think that baby is gonna go to heaven so all is well.

So It's okay, LORD, that they're killing the living child you created, since you'll see them soon in heaven.

But it's not! When a planned parenthood abortionist takes it upon him or herself to rid the the mother of her responsibility as the protector of her child, that murderer is taking it upon him or herself to take away Gods authority over life or death.

And when that baby's mom is going into a planned parenthood to get an abortion in the abortion facility (of which is truly a murder mill), when those tongs are reaching in for the living child of God, that baby moves away! That baby, at such a young age, is fearful for his or her life!

Do you take your life for granted? I know that was kinda sudden, but I promise it is relevant. So imagine yourself as those babies, imagine having your arms and legs ripped off, imagine having your skull crushed, while you are still alive. That's what over 2,000,000,000 babies have gone through (through out the entire world).

So, abortion is murder, wether you think so or not! That baby is a blessing from God! It does not even matter what you think, when abortion is going on, so is murder! And 99 percent of humanity tolerates it.

# REACHING OUR SENIORS WITH YOUR VALUABLE SERVICES IS IMPORTANT!

## I am still me

My behaviors may change. I may begin wondering, repeating questions, have verbal and or/physical outbursts. I may resist personal care and begin hoarding. I may have sleep disorders and/or hallucinations or paranoia. Something may be bothering me. I am trying to communicate it to you in a different way now. But I am still me.

Try to stay calm and resist arguing or reasoning with me. Do not correct me but try to re-direct me. Stay calm, empathize and understand rather than raising your voice and trying to reason with me. I can hear your smile; it helps me to feel safe and secure. I am still me.

Remember that I am unique. Activities and conversations that successfully redirect one person may not work with someone else. My truth is the truth. I am still me.

Keep my routines consistent. It will reduce my anxiety and help decrease your stress. I am still me.

Adopt my activities to what I can do now not what I used to do. Limit my choices, provide gentle guidance, break tasks down into single-step directions and remain positive physically and verbally. I may have changed, but I will still be me.

Please don't say "no" or "don't do that." I am not a child. Treat me as an adult. Step away for a few minutes. Maybe we both need some time. I am still me.

Give me choices or suggestions instead of open-ended questions. Instead of, "Where would you like to go today?" Ask "Do you want to go to the park or the beach today?"

I still like most of the same things. I just may not know how to tell you. But I am still me.

I may still like hugs, be a part of the conversation and attend gatherings and events. But I may forget names and places. Keep me involved. I am still me.

Please advocate for me when I cannot. Exercise, diet and a positive environment can help me. Monitor and report my health changes. I want to still be me.

My memory is short-term. Rewarding me or offering incentives for better behavior now and in the future will no longer work. Negotiating with logic or reason will no longer work. You may become frustrated. I don't mean to frustrate you. I learn differently now, most of the time it is beyond my control. I can be frustrating, but I am still me.

Everyone has a life story. Please document mine: scrapbooks, videos, hobbies, likes/dislikes and my routines. When I cannot longer tell my story, it will be helpful to my family, friends, loved ones, caregivers and my care plan. So that I can still be me.

From: *Mind & Memory Matters, A Project of Wisconsin BPDD*

Each of us have a chance of interacting with an individual who may be experiencing memory loss, whether that is through a loved one, work, or simply being out in the community. I Am Still Me offers a great reminder of how our actions, verbal and nonverbal, affect others.

As people change, it may become harder to visit, and at the same time, those visits become more important. Interfaith's Time for You Dementia Respite Program staff and volunteers get the privilege of visiting with individuals with dementia. These trained individuals provide program participants with a safe place to engage with others who are experiencing memory loss by utilizing the reminders in I Am Still Me.

Interfaith also partners with the Aging and Disability Resource Center to offer a monthly support group on the first Thursday of each month from 2 p.m. to 3 p.m. With many resources and partnerships, we are blessed to be a part of this wonderful community.

If you would like more information on Interfaith or our Time for You Respite Program, please call us at 715-284-7058.

**Welcome Megan**

Hi! My name is Megan Gerardy and I am excited to become a part of the Jackson County Aging and Disability Services Team as the new Elder Benefit Specialist!

I grew up between Wisconsin and Missouri and have settled down outside of Melrose with my husband and our dog, Hank. Outside of work, I love being outdoors and enjoy exploring our beautiful Wisconsin waters, woods and bluffs. I am thrilled to become a part of this community and look forward to getting to know and work alongside my wonderful team and community partners.

I have an educational background in occupational therapy, recreation management and assistive technology. I am currently learning the ins and outs of the Elder Benefit position and am looking forward to meeting with the people of Jackson County to troubleshoot your concerns and review available resources in our area.

Please feel free to reach out with questions or concerns. I can be reached at 715-284-3978 or at Megan.Gerardy@co.jackson.wi.us. Happy New Year – stay safe and warm!

## Women in History nominations being accepted

It is that time of year again to submit nominations for Jackson County's 2022 Women in History nominees. Founded in 1996, the purpose of the Jackson County Women in History program is to honor the achievement of women in the history of Jackson County. This is done through the annual induction ceremony honoring the selected women's contributions to Jackson County's history.

Women in History is sponsored by the Women in History Nominating Committee. The ceremony honoring Women in History designees is traditionally held during the third week of March.

Nomination must be submitted by Jan. 31.

In order to be eligible for consideration, individuals must be a resident of Jackson County, must be at least 60 years of age, making a difference in a community in Jackson County, making a difference in someone's life and volunteering their time and talent to benefit the community.

Past nominees that have not been selected within the last three years are resubmitted. Any nomination submitted more than three years can be resubmitted.

Nomination forms can be picked up at the Jackson County Aging Unit, Jackson County Sheriff's Department and Jackson County Interfaith Volunteer Caregivers. Send nominations no later than Jan. 31 to Women in History, PO Box 354, Black River Falls, WI 54615.

# Clark County Humane Society's Pet of the Week

## "GHOST"

Just in time for Halloween, Ghost is the CCHS Pet of the Week!

Ghost came to CCHS from another overcrowded Shelter in Texas. He is 4 years old and weighs 60#. Ghost is a mixed breed dog, and has a short-haired white and tan coat with cute speckles on his ears. It may be Halloween, but this is definitely the friendly kind of ghost! This boy likes to be with people and at 4 years old, he's past the crazy puppy stage. Ghost enjoys attention and has been good with other dogs. He's neutered, vaccinated, microchipped and dewormed, so he's all ready to find his new forever family. Ghost would love to find a new home where he can get lots of walks and snuggles. And he promises not to scare anybody on Halloween! If you'd like to adopt Ghost, please apply to take him home today! You can submit your adoption application on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Save the Date! Santa and Mrs. Claus are returning to CCHS this year for Pet Pictures with Santa! They will be at the Shelter on December 3rd from 1:00 - 4:00 p.m. Time & Light Photography will provide the photo services. They are happy to take pictures with all kinds of pets, from cats and dogs to rats and goats! So bring your pets and make some great Holiday memories! More details will be shared on our website soon!
