# AND GOD SAYS . . .

In the book, “Do As I Say (Not As I Do): Profiles in Liberal Hypocrisy,” Hoover Fellow, Peter Schweizer, reveals the glaring contradictions between the public stances and real-life behavior of prominent liberals including Michael Moore, Ted Kennedy, Al Franken, Hillary Clinton, Nancy Pelosi and Ralph Nader - among others. Schweizer’s conclusion is simple: liberalism, in the end, forces its adherents to become hypocrites. They adopt one pose in public, but when it comes to what matters most in their own lives-their property, their privacy, and their children-they jettison their liberal principles and embrace conservative ones. Schweizer thus exposes the contradiction at the core of liberalism: if these ideas don’t work for the very individuals who promote them, how can they work for the rest of us? (See [www.Newsmax.com](http://www.Newsmax.com) for more information).

Schweizer raises a good question, does he not? The same could be asked of Christianity.

The answer to this question is found by looking to the One who established Christianity. Did He live what He taught? God said He did. He said concerning His Son, “This is my son in whom I am well pleased.” Further testimony is given by the writer of Hebrews who says, under the inspiration of the Holy Spirit, “We have one who has been tempted in every way, just as we are — yet was without sin” (Heb 4:15 ). But the greatest of testimonies is Christ’s resurrection from the dead. Death only has power because of sin. Where there is no sin, death has no power. When God raised Jesus from the dead, that in itself is irrefutable evidence that Jesus was without sin, without hypocrisy. He is absolute truth. No one else can make this same claim.

You see, Christianity stands, not because Christ’s followers are perfect and without hypocrisy, but because its leader and founder was perfect. Jesus, himself, said, “I am the way and the truth and the life. No one comes to the Father except through me” (John 14:6).

Are you tired of lies and hypocrisy, of people letting you down, of dashed hopes? Why not try the One who is absolutely true and faithful, Jesus, God’s Son. He died in your place to save you because He loves you?

**Fellow Citizens of Jackson County:**

My name is Bonnie Comstock and I worked as your Deputy Register of Deeds for 29 years. Towards the end of my career, I had the pleasure of working with Brittany Knudtson; as she worked for a local real estate agency and local title company (businesses that we work with daily in our office). Before retiring, Brittany was hired as the new Deputy and I had the opportunity to train her before I left. Upon retiring, I had no worries leaving my position as I knew it was in good hands with Brittany. She has been employed with Jackson County almost three years now. Our current Registrar, Shari Marg, is now retiring and Brittany is running in the upcoming election to be the new Jackson County Register of Deeds. Rest assured, Shari and I both cannot think of a more qualified, deserving person to continue serving the public.

## Vote for Brittany Knudtson November 5th

*Authorized and paid for by a non-candidate Bonnie Comstock*

## MUST I ASK MYSELF ?????

After over hearing this conversation.....

"Some one recently asked me why I like Trump. My answer was that I don't really have to like Trump. This election is not about choosing the most likeable person. We are voting between two vastly different IDEOLOGIES. We are voting for the country we want to leave our children and grandchildren.

I'm voting for the First Amendment and freedom of speech.

I'm voting for the right to speak my opinion and not be censored.

I'm voting for secure borders and LEGAL immigration.

I'm voting for election integrity to include mandatory voter ID.

I'm voting for the Second Amendment and my right to defend my life and my family.

I'm voting for the police to be respected once again.

I'm voting for law and order and an end to allowing protesters to trespass and burn our cities, destroying small business like Tim Walz did.

I'm voting for personal responsibilities and the end of the revolving door where criminals are being put back on the street like Kamala Harris has done.

I'm voting for the Supreme Court Justices and Federal Judges to protect the Constitution and the Bill of Rights.

I'm voting for a return of our troops from foreign countries and the end to America's involvement in foreign conflicts.

I'm voting for the Electoral College and for the Republic in which we live.

I'm voting for keeping our jobs in America.

I'm voting for doing away with all the freebies given to all the illegals and not looking after the needs of the American citizens and all veterans.

I'm voting to keep men out of women sports.

I'm voting to fight against human trafficking.

I'm voting for Freedom of Religion.

I'm voting for the return of teaching math, history, and science instead of gender indoctrination.

I'm voting for the future of my country.

America is the greatest country in the world, that is why everyone wants to immigrate here.

Trump represents that future and has proven he can deliver America to our children and grandchildren. He is PATRIOT who served this country for 4 years without pay.

I'm not voting for Trump, I'm voting for AMERICA!"

.....A FACT IS INFORMATION MINUS EMOTION, AN OPINION IS INFORMATION PLUS EMOTION, IGNORANCE IS AN OPINION LACKING INFORMATION, and STUPIDITY IS AN OPINION THAT IGNORES A FACT! PERHAPS WE ALL NEED TO DISCERN THE FACTS AND NOT REACT TO OUR EMOTIONS!

Clark County Humane Society's  
Pet of the Week

"DOTS"

Dots is the  
CCHS Pet of the Week!

Dots came to CCHS when she was found as a stray in the Humbird area with her siblings, Milk Dud, Slow Poke, Twizzlers and Kit Kat. They were just 3 weeks old when they came to the Shelter and had medical issues, so they needed lots of TLC to recover and be ready for adoption. They are now 9 weeks old and are so very cute and sweet. Dots has a short-haired coat that is Buff and White in color and she weighs 2.5#. She is a playful girl who enjoys being with other kitties, as she is now hanging out in Kitty City at CCHS. She is just waiting to share lots of love and happiness with her new family! If you would like to share your heart and home with a pretty girl like Dots, please apply to adopt her today. You can submit your adoption application for Dots on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, especially puppies and kittens, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!

**It's Fire Prevention Week**

**"Smoke alarms: Make them work for you!"**

The National Fire Protection Association® (NFPA®) announced "Smoke alarms: make them work for you!™" as the official theme for Fire Prevention Week™, October 6–12, 2024 at the NFPA Conference & Expo® in Orlando, FL. This year's focus on working smoke alarms comes in response to NFPA data, which shows that the majority of U.S. home fire deaths continue to occur in homes with no smoke alarms or no working smoke alarms.

"Smoke alarms can make a life-saving difference in a home fire, but they have to be working in order to deliver the needed protection," said Lorraine Carli, vice president of the Outreach and Advocacy division at NFPA. "This year's Fire Prevention Week campaign reinforces the critical importance of smoke alarms and what's needed to install, test, and maintain them properly."

## Pay attention to fire prevention.™

**FIRE PREVENTION WEEK™**

**fpw.org**

©2024 National Fire Protection Association | Sparky® is a trademark of NFPA

**“Look. Listen. Learn.**  
**Be aware –**  
**fire can happen anywhere.”**

Through three simple calls-to-action, this year’s theme identifies basic but essential ways people can reduce their risk to fire and be prepared in the event of one:

- **Look** for places fire can start
- **Listen** for the sound of the smoke alarm
- **Learn** two ways out of each room

After leaving the home, go to your family’s designated meeting spot, established when you set up a home fire escape plan.
