**ORDINANCE NO. 1087
AN ORDINANCE REPEALING AND RECREATING SECTION 174 BICYCLES WITH SECTION 174 BICYCLES, ELECTRIC BICYCLES, PLAY VEHICLES AND ELECTRIC MICROMOBILITY DEVICES; OF THE MUNICIPAL CODE OF THE CITY OF NEILLSVILLE**

THE COMMON COUNCIL OF THE CITY OF NEILLSVILLE DO ORDAIN AS FOLLOWS:

Chapter 174: Bicycles is repealed and recreated to read as follows.

Chapter 174: Bicycles, Electric Bicycles, Play Vehicles, and Electric Micromobility Devices

174-1 Definitions.

The following definitions shall be applicable in this chapter.

BICYCLE

Every device propelled by the feet acting upon pedals and having wheels, any two of which are not less than 14 inches in diameter.

BICYCLE LANE

That portion of a roadway set aside for exclusive use of bicycles and so designated by appropriate signs and markings by the responsible governing body.

BICYCLE PATH

Any path or sidewalk, or portion thereof, designated for the use of bicycles by the responsible governing body.

BICYCLE ROUTE

Any bicycle lane, bicycle way or highway which has been duly designated by the responsible governing body and identified by appropriate signs and markings.

ELECTRIC BICYCLE (E-BIKE)

A bicycle that is equipped with fully operative pedals for propulsion by human power and an electric motor of 750 watts or less and that meets the requirements of any of the following classifications.

- (a) Class 1 electric bicycle is an electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches the speed of 20 miles per hour.
- (b) Class 2 electric bicycle is an electric bicycle that may be powered solely by the motor and is not capable of providing assistance when the bicycle reaches the speed of 20 miles per hour.
- (c) Class 3 electric bicycle is an electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches the speed of 28 miles per hour.

OUT-OF-CLASS ELECTRIC VEHICLE (OCEV)

An electric-powered, 2 or 3 wheeled vehicle that exceeds the speed or power limits of standard Class 1, 2, or 3 electric bicycles, motor exceeds 750 watts and may be throttle only operation that relies on throttle control without the option for pedal-assist.

ELECTRIC MICROMOBILITY DEVICE

Any small, 20mph or under, electric-powered transportation device that has not been modified, including electric scooters, one wheels, electric skateboards, seated scooters, personal assistive mobility devices, and other small, lightweight, wheeled electric-powered conveyances.

PLAY VEHICLE

A coaster, skateboard, roller skates, in-line skates, unicycle or any toy vehicle upon which a person may ride and does not have a motor, not including bicycles.

RIGHT OF WAY

The right of one vehicle or pedestrian to proceed in a lawful manner in preference to another vehicle or

pedestrian approaching under such circumstances of direction, speed and proximity as to give rise to danger of collision unless one grants precedence to the other.

174-2 Lighting and other equipment.

No person shall operate a bicycle or electric bicycle upon a highway unless equipped as required in § 347.489, Wis. Stats.

174-3 Parking bicycle, electric bicycle, play vehicle, or electric micromobility device.

No person shall leave a bicycle, electric bicycle, play vehicle, or electric micromobility device at such a place or in such a way as to create a hazard to pedestrians, automobile operators or to anyone else. Bicycles and electric bicycles shall be parked in bicycle racks if available. The operator may park a bicycle, electric bicycle, play vehicle or electric micromobility device on the sidewalk in an upright position parallel to and within 24 inches of the sidewalk edge.

174-4 Rules of the road.

The provisions of Chs. 346 and 347, Wis. Stats., and applicable City ordinances shall govern the operation of bicycles, electric bicycles, play vehicles, and electric micromobility devices where appropriate.

174-5 Bicycle and electric bicycle regulations.

- A. Rules for turning.
 1. The operator of a bicycle or electric bicycle intending to turn to the right at an intersection shall approach the point of turning in the traffic lane nearest the right-hand edge or curb of the street and, in turning, shall keep as closely as practicable to the right-hand edge or curb of the highway.
 2. The operator of a bicycle or electric bicycle intending to turn to the left of an intersection or into a private driveway shall make such turn from the traffic lane immediately to the right or next to the center of the street and pass immediately to the left of the center of the intersection, passing as closely as practicable to the left of the center of the intersection immediately to the right of the center of the intersection of the street.
 3. At any intersection where traffic is controlled by a traffic control signal or by a traffic officer, it shall be unlawful for any such operator of such bicycle or electric bicycle upon any street to disobey the instructions of any official traffic sign or signal placed in accordance with the laws of the State of Wisconsin and the ordinances of the City.
 4. Crosswalks shall be used when walking a bicycle or electric bicycle through an intersection.
- B. Trick riding. No person shall operate a bicycle or electric bicycle upon the streets of said City without having manual control of the handlebars or operate a bicycle or electric bicycle in any other manner which necessitates the element of unusual, extraordinary skill and involves unnecessary risk.
- C. Tandem riding. No person shall ride or propel a bicycle or electric bicycle on a street in said City with another person upon said bicycle or electric bicycle unless such bicycle or electric bicycle is so constructed as to be a tandem bicycle or tandem electric bicycle.
- D. Emerging from alley or driveway. The operator of a bicycle or electric bicycle emerging from an alley, driveway or building shall, upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right-of-way to all pedestrians and, upon entering the roadway, shall yield the right-of-way to all vehicles approaching on said roadway.
- E. Bicycles and electric bicycles are not to be pulled by moving vehicles. No person riding upon a bicycle or electric bicycle shall cling or attach himself or his bicycle or electric bicycle to any other moving vehicle upon a street or highway, nor shall the operator of any such bicycle or electric bicycle tow or draw any coaster, wagon, sled, person on roller skates, toy vehicles or any other similar vehicle on such highway.
- F. No person shall operate a bicycle or electric bicycle at a speed greater than is reasonable and prudent under existing conditions or in excess of any posted speed limit. No person shall operate a bicycle or electric bicycle on a sidewalk at a speed greater than 15mph.
- G. A bicycle or electric bicycle on a roadway or street shall obey the provisions of all ordinances and state laws applicable to the operator of any motor vehicle.
- H. No person under the age of 16 years may operate a class 3 electric bicycle or an out-of-class electric vehicle.
- J. Class 3 electric bicycles and out-of-class electric vehicles are not permitted on any city sidewalk.
- K. Any person less than 16 years of age operating or riding on an electric bicycle on a public roadway, public bicycle path, or any other public right-of-way under the jurisdiction and control of the City shall wear a protective helmet designed for safety. Such helmets will have a label from the Consumer Product Safety Commission (CPSC), the American National Standards Institute (ANSI), the Snell Memorial Foundation, or the American Society for Testing and Materials (ASTM).

174-6 Inspection of bicycles and electric bicycles.

Bicycles and electric bicycles to be kept in safe

condition. The Chief of Police shall have authority to impound any bicycle or electric bicycle operated contrary to any state law or City ordinance, or which is being operated in an unsafe mechanical condition. Such removal shall continue for a period not to exceed 10 days. Such removal shall be in addition to other penalties provided for herein.

174-7 Play vehicles and electric micromobility devices regulated.

- A. No person shall ride a play vehicle or an electric micromobility device on any roadway or street between the hours commencing 1/2 hour before sunset and terminating 1/2 hour after sunrise, unless said person is wearing reflective clothing or carries a clear light visible to the front and a red light visible to the rear or a red reflector visible to the rear.
- B. No person riding a play vehicle or an electric micromobility device shall ride said vehicle in any parking lot or public park owned by the City of Neillsville, except within the public roadway.
- C. Persons riding a play vehicle or an electric micromobility device on a roadway or street shall obey the provisions of all ordinances and state laws applicable to the operator of any motor vehicle.
- D. Persons riding a play vehicle or an electric micromobility device on a roadway or street shall ride single file on all roadways or streets.
- E. Persons riding a play vehicle or an electric micromobility device shall, upon entering a highway, yield the right-of-way to motor vehicles.
- F. A person riding a play vehicle or an electric micromobility device shall ride as near as is practicable and/or safe to the right edge of the unobstructed traveled roadway upon any road way carrying two-way traffic. On one-way road ways, a person riding on a play vehicle or an electric micromobility device shall ride as near as is practicable to the right edge or left edge of the unobstructed traveled roadway. Every person riding a play vehicle or an electric micromobility device in the roadway shall exercise due care when passing a standing vehicle or one proceeding in the same direction, allowing a minimum of three feet between the person riding on the play vehicle or an electric micromobility device and the vehicle.
- G. No person shall operate a play vehicle or an electric micromobility device at a speed greater than is reasonable and prudent under existing conditions or in excess of any posted speed limit. No person shall operate a play vehicle or an electric micromobility device on a sidewalk at a speed greater than 15 mph.
- H. A person riding a play vehicle or an electric micromobility device on a roadway shall not impede motor vehicle traffic to said person's rear. If inadequate space exists for operation of motor vehicles and the on the play vehicle or an electric micromobility device to proceed in the same direction upon any roadway in the City, then the person riding upon the play vehicle or an electric micromobility device shall, upon the approach of a motor vehicle from the rear, move as far to the side of the road as possible and stop if necessary so as to permit adequate room for the motor vehicle traffic to pass said person riding on a play vehicle or an electric micromobility device without leaving the lane in which said motor vehicle is traveling.
- I. Any person less than 16 years of age operating or riding on an electric micromobility device that exceeds 10 mph on a public roadway, public sidewalk, public bicycle path, or any other public right-of-way under the jurisdiction and control of the City shall wear a protective helmet designed for safety. Such helmets will have a label from the Consumer Product Safety Commission (CPSC), the American National Standards Institute (ANSI), the Snell Memorial Foundation, or the American Society for Testing and Materials (ASTM).
- J. No parent or guardian of any child shall authorize or knowingly permit such child to violate any of the provisions of this section.
- K. Any person 16 years of age or older who shall violate any provision of this section may be issued a Municipal Citation pursuant to the municipal general penalty provisions.

174-8 Violations and penalties and legislative modification.

- A. Any person 16 years of age or older who shall violate any provision of this section may be issued a Municipal Citation pursuant to the municipal general penalty provisions.
- B. Any person under 16 years of age who shall violate any provision of this chapter may be issued a violation warning notice along with the following additional actions:
 - 1. First offense in one year: a warning letter sent to the parent or guardian requiring his or her signature and return of the warning notice to the Police Department.
 - 2. Second offense in the same year: a warning letter mailed to parent or guardian.
 - 3. Third offense in the same year: a mandatory parent-child-police conference.
- C. Any parent or guardian of any child who authorizes or knowingly permits such child to violate any of the provisions of this chapter may be subject to the provisions of § 346.77

and 346.82(1), Wis. Stats.

D. This provision is intended to enact Wisconsin State Statute 340.01 (15ph). Any future legislative modification of any Wisconsin Statute set forth in Chapter 223 are automatically adopted.

/s/ Duane Poeschel, Mayor

Debbie Winder, City Clerk-Treasurer

Motion Petkovsek, second Pavlac, that Ordinance No. 1087 be adopted. All Aye.

Tavern Operator's License Application:

Michael K. Fermanich

City Clerk-Treasurer Winder asked that the Council take a look at some information that was provided by the Chief of Police in their packets before making a decision on the application.

Chief of Police Mankowski stated that while doing his check on the applicant, there were more offenses discovered than what was listed on the application and based on those, he cannot recommend to the Council to approve the license.

Discussion followed regarding the applicant's history.

Motion Neville, second Clough, to disapprove the listed license based on the information discovered by the Chief of Police during his background check. All Aye.

Motion Neville, second Gelhaus, that City Bills Nos. 847 to 896 in the amount of \$274,642.22 be paid. All Aye.

Motion Pavlac, second Clough, to adjourn. All Aye.
