### Waumandee State Bank announces President/CEO retirement; subsequent promotions

**Herb Lallemond**

**Waumandee STATE BANK**

Member FDIC  **“Always at your service”**

Herb Lallemond, President/CEO of Waumandee State Bank, recently announced his forthcoming retirement effective February 25, 2025.

Lallemond began his banking career in 1987. Prior to his time in Waumandee, he held a variety of management and leadership positions at banks in both Phillips and Baraboo, Wisconsin. Lallemond joined Waumandee State Bank on February 25, 2002 when he was hired by the board of directors to serve as President/CEO. Including his last 23 years at Waumandee, Lallemond’s banking career spans nearly 38 years.

Throughout his time with Waumandee State Bank, Lallemond’s friendly disposition and forward thinking have been his greatest assets. His uncompromising vision has helped Waumandee State Bank expand and thrive. As the landscape of modern banking has changed, Lallemond always ensured Waumandee State Bank could meet customer needs. During his time as president, he oversaw four large acquisitions as the bank expanded with seven additional locations. As of 2024, Waumandee State Bank has eight different offices in Western Wisconsin including Waumandee, Arcadia, Blair, Black River Falls, Durand, Fountain City, Mondovi, and Whitehall.

In addition to his job duties, Lallemond has been an active volunteer in the bank’s surrounding communities. Past volunteer roles included cub scout den leader, Arcadia Wrestling Club treasurer, and finance committee member for Arcadia’s Holy Family Parish and Catholic School. He’s also been an active member of the Waumandee Lions Club.

Lallemond is looking forward to retirement as it will mean more opportunities to travel the country and spend time with his family. Though he will be stepping down from his current role, Lallemond will continue to serve on Waumandee State Bank’s board of directors.

Waumandee State Bank congratulates Lallemond on 23 years of exemplary service as President/CEO and wishes him a fruitful, fulfilling retirement.

With Lallemond’s forthcoming retirement, Waumandee State Bank also recently announced the promotion of two veteran employees: Todd Pronschinske and Katy Michaels.

Todd Pronschinske has been promoted to the role of President. Pronschinske is a 20 year employee of Waumandee State Bank who most recently held the title of SVP/Chief Credit Officer. Prior to his most recent promotions, he has held a variety of different positions within the bank, including those in frontline service, lending, and management. Following Lallemond’s retirement, Pronschinske will assume the duties of CEO as well. Pronschinske is a graduate of Arcadia High School and UW La Crosse. He currently serves as a volunteer firefighter for the Waumandee-Montana-Lincoln area and has done so for 19 years. He’s also a long-time member of the Waumandee Area Lions.

Katy Michaels has been promoted to SVP/Chief Operations Officer. She is a 15 year employee of Waumandee State Bank who most recently held the title of Senior Vice President/Controller. Prior to her most recent promotions, she primarily served in managing the bank’s deposit operations department. Michaels is a graduate of both Winona State University and the University of Denver.

Waumandee State Bank congratulates Todd Pronschinske and Katy Michaels on their respective promotions and formally welcomes them both to their new roles.

# AND GOD SAYS . . .

Thanksgiving is less than a month away. Usually, when I ask people what they are thankful for, children say things like; my mom and dad, my home, my friends, while adults may respond by giving thanks for good health, husband or wife, or having a job. These are all legitimate reasons to give thanks. But two questions come to mind.

First, to whom do we give thanks?

Secondly, What about those who have just gone through a terrible loss, like those who lost everything in hurricane Helene? Why should they give thanks and what do they give thanks for? I will leave this question for the next article.

First, and most importantly, we need to give thanks to the Lord God, creator and sustainer of everything:

For by him all things were created . . . ; all things were created by him and for him.

He is before all things, and in him all things hold together. Colossians 1:16-17.

This is difficult for many in our culture to understand because they are so brainwashed into believing in evolution. They think everything just evolved through millions or billions of years after getting a jump-start with some kind of explosion.

This whole theory is just devastating. It leads to life without purpose, or hopelessness. It makes us to be no different than the animals, without conscience, morals or worth. It destroys any kind of law and order, resulting in confusion.

This leads me to another question. If evolution is accomplished by random chance, why do we expect it to evolve in an upward, orderly direction, that is, to become more complex? Why would it not decrease in complexity or become less orderly, until it had no order or law, just confusion, you know, like modern art? Why it might even end up with boys thinking they are girls, girls thinking they are boys, kids thinking they are furries, and even judges who don't know the difference between a woman and a man.

So, thank you Lord for giving order to my world and hope for my future. Thank you!

## Overflowing with Gratitude

All of us at Interfaith would like to thank the community and our volunteers for another great year! We have been active with hosting events, taking part in community events, and managing the office and daily functions of Interfaith

We are continually grateful for your support of Interfaith and our capital campaign, which enabled the construction of our beautiful facility and community room where we have hosted many Interfaith events and community partnership events throughout the year. This year Interfaith hosted a De-escalation training, Women in History, Volunteer Appreciation, and Aging Gracefully events. Other events we participated in were the Senior Health Fair and the All-Abilities Stroll. We have been working diligently to provide the community with resourceful information on our programs, as well as promoting the resources offered by our community partners and agencies. Events and outreach help the elderly and those with disabilities gain access to the resources they need, as well as attracting individuals to Interfaith to become volunteers to use their gifts and talents while helping others.

Interfaith also helps coordinate the Parkinson's Support Group and the Family Caregiver Support Group.

Breaking Bread is also hosted quarterly at Interfaith. We invite pastors/priests from the community churches to get together over lunch and network together and discuss the needs of the community.

We have many calls and visitors each day at Interfaith. Within the past year, we have helped arrange more than 600 rides, and scheduled over 2,200 services (Visually Impaired Program, Groceries to Go, Library to Go, Music in the Park, Time For You, and many others) for our aging population.

We continue to provide our Time for You Dementia Respite program two days per week.

New to Interfaith is a six-week program called Art of Mind Over Matter. This program was created to offer a place where caregivers and their loved ones with early memory loss can tap into their creativity, express themselves, and find solace in the healing power of art.

We can't thank our volunteers enough, for the many hours of time you have given to Interfaith to help the elderly and disabled age in place. We wouldn't be able to do this without any of you, whether you volunteer, or help by donating.

**With many blessings and much appreciation! Your friends at Interfaith.**

## Clark County Humane Society's Pet of the Week

### "APOLLO"

Apollo is the  
CCHS Pet of the Week!

Apollo came in as a stray from the Granton area at the beginning of October. This handsome German Shepherd is estimated to be 8 years old and weighs about 93.4 # currently. Don't let his age fool you, he is as playful as ever! Apollo loves to play fetch and will go for hours if you let him. Despite coming to us as a stray, this intelligent guy knows his basic commands and would love to demonstrate them for you. He is very handsome with the standard black and tan Shepherd coloring and he also has really awesome ears! If you would like to give Apollo another chance at a happy home, please apply to adopt him today. You can submit your adoption application for Apollo on our website: [www.cchs-petshelter.org/](http://www.cchs-petshelter.org/) applying-to-adopt. We have lots of wonderful pets available for adoption now, especially dogs and puppies, so please check them all out and then stop in to visit!

Save the Date! Santa and Mrs. Claus are returning to CCHS this year for Pet Pictures with Santa & Mrs. Claus! They will be at the Shelter on December 7th from 1:00 p.m. - 4:00 p.m. They do a wonderful job and are happy to take pictures with all kinds of pets, from cats and dogs to rats and goats! Pictures are then available for purchase as prints, email or on a flash drive. So bring your pets and make some great Holiday memories! More details are available on our website.

COMMUNICATION OFFICER

JACKSON COUNTY SHERIFF'S OFFICE

BLACK RIVER FALLS

Jackson County is accepting applications to fill three (3) Full-Time Communication Officer positions. If you are a person who wants to know that the work you do is important, dispatching will give you great satisfaction. There are few careers you can follow that put you directly in touch with people in need of help and enable you to provide it for them.

But great satisfaction does not usually come easily. The people who seek your help need it at all hours of the day and night. For dispatchers, this means shift work. It will mean staying on for an extra shift if the dispatch center is short-staffed. Sometimes you may want the overtime, other times, although it may be inconvenient for you, it will be a requirement that you stay anyway.

2024 Wage Range: \$22.59 - \$25.82 per hour and newly hired dispatchers will likely be assigned to 2nd or 3rd shift. Dispatchers are on a schedule rotation which may require them to work on holidays.

Learning the skills and receiving training is, of course, essential. However, you must also be able to think clearly under stress, not "burn out" easily and must be able to do several things at once without losing track.

If you think you have these qualities we're looking for and willing to make this commitment to be held to these standards, please visit our Employment Opportunities page at [www.co.jackson.wi.us](http://www.co.jackson.wi.us) to apply or scan QR code.

Applicants must be at least 18 years of age and have obtained a high school diploma or equivalent. The position will remain open until filled.
