# AND GOD SAYS . . .

What we believe to be true is not necessarily true. For example, many people believe it is unsafe in Israel because of the terrorists attacks. But the truth is, overall, it is still safer in Israel than it is in New York City or Chicago. According to the statistics, there are more people killed in New York City and/or Chicago per capita than in Israel in any given year.

“Why do we find this so hard to believe?” I can only speculate, but I wonder if it doesn’t have something to do with the information we receive through the news media. Could it be that the reporting of the events in these places are a bit out of balance?

It is important to note that the unbalanced or false information we get will ultimately lead to wrong conclusions with possibly devastating results. In Israel it means that tourists stop traveling to that country which has a devastating effect on the Israel’s economy.

But there are other areas of imbalances in our thinking that have even greater consequences. For example, our attitude toward law and order resulting in higher crime rates here an now. But the greatest and most disastrous area of wrong thinking are our ideas about our relationship with God. In fact, the most common statement made when someone dies is that “they are in a better place.” But that is not our default future. Actually our eternal default destiny is just the opposite, it is a terrible place called “hell.”

Many have come to think that because God is a God of love that he is soft on justice. They believe that if they have done some good, they will go to heaven. Others believe that everyone goes to heaven when they die. But the truth is, God is a God of justice and established the death penalty as the price to be paid for sin. Furthermore, He has already passed judgement on us all when He declared that “all have sinned.” That means if we do nothing we will die and go to hell. That’s our default setting.

So what hope is there? Well, according to God’s word, the only way we can have eternal life is accepting the death of Jesus, God’s son, as payment for our sin and accepting His gift of life through His resurrection and then demonstrate our faith in Him by making Him Lord of our lives.

Now the fact of the matter is, this is the truth, whether you believe it or not. And if you don’t believe it, then search God’s word for yourself to see if this isn’t true. It is your future that’s at stake.

THANK YOU

The eyes of all look to You, Jesus Christ and You give them their food in due season. You open your hand and satisfy the desire of every living thing. Oh, give thanks to Jesus Christ, for He is good; His steadfast love endures forever.

*Psalm 145:15-16; 118:1*

Thank you is never enough to say to all those who open their hearts to help with St. John Lutheran Church's annual Community Thanksgiving Dinner. The Lord has placed you to touch hundreds of lives each year during this event. You not only enrich the lives of those we serve but also the coordinators. It truly takes an entire community helping and attending to make this happen each year. This year, our 29th, our hearts have been filled more than ever by the amazing Black River Falls community and businesses. Special thank you to the following:

*Interfaith-Administrative and behind the scenes work; Black River Falls ARPA funds grant; Theisen's grant; Hansen's for donating six turkeys and making and portioning coleslaw; AMPI for donating butter; Gimi's Restaurant for providing meals for volunteers throughout the weeks preparations; Jackson County Correction Camp work release crew; Linda's Bakery for a discount for the buns; Woodman's of Altoona for the discounted pies.*

*And the many, many people who gave time or donations.*

As we move from fall and giving thanks for God's Blessings we move to the season of Advent and Christmas and offering our praises for the miraculous birth of our Lord and Savior Jesus Christ.

**God's Blessings to all!**

**Karen and Linda Hardwick, Coordinators of St. John Lutheran Church Community Thanksgiving Dinner**
