### Black River Country Bank Welcomes David Becker to Lending Team

Black River Country Bank welcomes David Becker as the newest member of the Black River Country Bank Lending Team. David grew up in North Bend and graduated from Melrose-Mindoro High School. He then pursued his passion for hospitality at Michigan State University and became the General Manager of two successful restaurants in the Lansing, Michigan area: Sneaker's Restaurant (1987-1993) and The English Inn (1993-2023). He was also active in the Michigan Restaurant Association and the Lansing Area Chamber of Commerce. After 40 years in Michigan, he decided to retire from the hospitality industry and return to his hometown to be closer to his family.

**David Becker**

David's onboarding with BRCB has been spent gaining exposure to front line customer service and bankwide operations, processes, procedures, and organization culture. His new lending role will seat him where he excels best, engaging with customers and helping guide their personal lending experience at Black River Country Bank. Justin Blaken, Vice President & Senior Loan officer stated: "We are very excited to add David to our team of loan officers. With his diverse background, he's been able to provide new ideas and excellent input on several initiatives here at the Bank. David provides great customer service, and he's also shown a strong commitment to becoming involved in the community. These attributes will serve him very well in his new role with BRCB."

David is a loyal fan of the Spartans and loves everything related to his college teams. He also enjoys camping, biking, volleyball, and diy-ing. He is single and has a cute Goldendoodle named Stella, who accompanies him on his adventures in and around North Bend. David said "I am very grateful for the warm welcome and the support I have received from the Black River Country community while getting re-acquainted with the beautiful area and learning the ins and outs of my new role at BRCB. I am grateful for this wonderful group of people and I look forward to continuing to work with them and all of my neighbors here in Jackson County to serve your lending needs." Black River Country Bank is a Member FDIC and Equal Housing Lender Financial Institution.

# AND GOD SAYS . . .

I heard a great illustration by Dr. Tony Evans. It went something like this. It seems that a father was in a hurry to catch a commuter train to get to a business appointment in the city. He hurriedly shaved, brushed his hair, and put on his suit. He made sure all the papers he needed were in his brief case, then he hurried out the door.

He was not aware that his small son was playing in the mud and dirt just beside the sidewalk. The man kissed his wife goodbye and then turned, and hurried down the steps. As he started down the sidewalk, the boy, engrossed in his play and unaware of his father coming down the walk, backed across the walk. At the last minute his father saw him and tried to jump over him, but didn't quite make it. Down he went, in the dirt and mud. He got up, brushed himself off, and then looked at his watch. He just had time to catch the train, so he continued on his way.

Now the difference between the father and the son was this. The son was playing in the mud therefore he stayed there in it. But the father only stumbled and fell into mud. He didn't stay there but got up out of it as quickly as he could and went on his way.

1 John 2:1 says, "I write this so that you do not sin [that is to say, play in the dirt]. But if you do sin [that is, fall into the dirt], we have one who speaks to the Father in our defense, Jesus Christ." Anyone of us can stumble and fall in the dirt, but that doesn't mean we should stay there. We have a train to catch. We need to get back up and get ready to meet Jesus when He comes back for us.

Friend, you are not a failure because you fell. You are only a failure if you quit, if you stay in the dirt. The only person who can fail is the person who is attempting something, who has direction. So be encouraged even though you fall. Get up and go on. Confess that you fell. You will find mercy through Jesus, enabling you to be ready to meet Him when He comes. God says, "If we confess our sins, He is faithful and just to forgive our sins and purify us from all unrighteousness" (1 John 1:9). So don't just stay in the mud, get up, let Jesus clean you up, and then go on serving Him. That makes you an overcomer.

# Wisconsin School Bus Driver Appreciation Week

## February 12-16

# THANK YOU Bus Drivers!

Since 1976, Wisconsin School Bus Association has ensured the state’s School Bus Drivers are recognized and appreciated through the annual Appreciation Week event held every second full week in February.

In Wisconsin, there are more than 12,000 school bus drivers who safely transport more than 400,000 students to and from school each school day and travel a total average of 144 million miles a year.

School Bus Driver Appreciation Week is an excellent opportunity for parents, students, teachers, motorists, school buss operations, school administrators, and other interested parties to show their appreciation to school bus drivers. These drivers are true heroes ensuring Wisconsin’s students have a safe and reliable ride to school and home every day. \*Source: Wisconsin School Bus Association

WSBA is honored to recognize the dedication and care each school bus driver demonstrates to students every day.

T Mentor  
E Fk Halls Creek Bridge P-10-0196  
Clark County

You are invited to attend a Public Involvement Meeting regarding the proposed improvements to the East Fork Halls Creek Bridge on Main Street in the Town of Mentor, Clark County, WI. An in-person meeting will be held on February 13th, 2024 from 6:00-7:00 pm at the Humbird Town Hall, located at N3059 King Street, Humbird, WI 54746. Project representatives will be available at that time to discuss the proposed project and address any questions or concerns. A Power Point presentation detailing the project will also be made available on the Town of Mentor's website from February 5th to March 5th, 2024.

The proposed project scope includes the replacement of the existing bridge structure with minimal approach work.

All work would take place within the existing shoulder points of the roadway. Construction is anticipated for the summer of 2025. Main Street would be closed to thru traffic during construction; a detour route would not be signed as alternate routes are available. Access would be maintained to properties along Main Street.

The public is encouraged to view the proposed project details at the link below and submit any comments or concerns they may have.
