NEW LISTING!

314 W MILLER STREET, GREENWOOD, WI

Check out this completely renovated and updated home in Greenwood with a large backyard. The main level has a large eat in kitchen and is completely brand new, large storage closet, two bedrooms, one full bath with tub/shower combo, and a living room with door that walks out to a brand new deck. LENDER

On January 22, Kamala Harris gave a speech at a rally commemorating the 50th anniversary of the horrible Roe v Wade decision. To quote her, "America is a promise. It is a promise of freedom and liberty—not for some, but for all. A promise we made in the Declaration of Independence that we are each endowed with the right to liberty and the pursuit of happiness. These rights were not bestowed upon us. They belong to us as Americans." She later said, "We will continue to stand together in the fight to protect the freedom and liberty of all people, of all women, everywhere." She ended with, "May God bless you and may God bless America."

She ended with, "May God bless you and may God bless America."

Any student of history knows that she did not quote the Declaration of Independence (D of I) correctly. The 2nd paragraph actually begins, "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness."

I have some questions for her. First of all, why leave out the word "Life"? Surely, as a pro-abortion person she does not really believe that there is actually a child in the womb, does she? Doesn't everyone know it is just a blob of tissue, a product of conception? It isn't really a baby that the abortionist kills. It's just some tissue that a doctor surgically removes. Well, I say she knows there is a life involved. She left out "Life" because she knows that an abortion takes an innocent life.

Now a 2nd question. Why does she say "These rights were not bestowed upon us"? To quote the D of I, "They are endowed by their Creator." If they are endowed, then they are bestowed. Look at the definitions for "bestowed" and "endowed". They are practically the same. But of course, if she should acknowledge God, that would make her accountable to God. She certainly does not want to be accountable to the God that the founders believed in. The founders God says in Proverbs 6:16-17 "These things the LORD hates... Hands that shed innocent blood." Didn't God bestow life on that innocent pre-born little child, just as it says in the D of I?

A 3rd question. She mentions protecting the freedom and liberty of all women. She is known as an advocate for Women's rights. 49% of all babies born are girls, so 49% of all abortions kill a little girl. 39% of all abortions are performed on black women. As a black woman, she must know that there could be a black baby girl in the womb. In the US, over 64m babies have been aborted since 1973. That means 32m little girls killed. In the US, over 19m black babies have been aborted. Anyone who is pro-woman or pro-black should be horrified. That abortion could be killing a little black girl. How is that protecting all women?

One final question. She ends asking God's blessings on those with her and on America. My question is, what god is she calling on? As I mentioned, the founders God is pro-life. The founders would never have supported a "Woman's right to choose." Is her god Molech? The Canaanites sacrificed to Molech. Psalm 106:38 "And shed innocent blood, The blood of their sons and daughters, whom they sacrificed to the idols of Canaan; And the land was polluted with blood." Hopefully, Kamala Harris will think about this and will realize her error and will believe 2 Chronicles 7:14 "If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." Our land could certainly use some healing. There has been a lot of blood spilt.

Pet of the Week

"ANDROID"

Android is the  
CCHS Pet of the Week!

Android came to CCHS when she was found as a stray in the Spencer area. This pretty girl is about a year old and weighs 7.4#. She has a lovely short-haired Orange Tabby coat. Android is a sweet girl with a gentle and quiet personality. She gets along OK with other kitties as she is staying in Kitty City at the Shelter, although she likes to watch the activity from the sidelines. She is quite fastidious and does prefer having two litter boxes to use. She will do best in a fairly calm home where there isn't too much going on. We are very excited that adoption fees for cats and kittens have been sponsored for the entire month of February! That means you can take home an awesome kitty like Android for \$0! Standard adoption policies will still apply. You can submit your adoption application for Android on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!

"Hi! My name is Pickles and for the last year and two months I have been waiting at the shelter for my forever family to come through the doors. I am a great cuddler, very loyal and protective of those I love, and a clean behaved boy in the house. I like to go on car rides, take walks, and play with other nice dogs. I am a neutered male that prefers to be a ladies man. I have been waiting for a long time, but hope that one day, I will find myself a forever home! Please come visit me here at the Jackson County Animal Shelter soon!"

**AND GOD SAYS . . .**

**I don't know of a song that says so much about the work of God through our Lord Jesus Christ with fewer words than the song by Graham Kendrick, "Such Love".**

It speaks of God's purity, His great grief over our brokenness, and the eternal debt He paid to rescue us. And that's just the first verse.

The second verse speaks to the fulness of His work in our lives— how He "stills our restlessness" and "fills our emptiness," by "revealing His holiness," as He sanctifies us "spirit, soul and body."

And the third verse wonderfully pictures for us His timeless work in us. It says, "Such love, springs from eternity, Such love, streaming through history. . ."

These are the words that captivated my imagination. In my minds eye I envisioned the eternal preincarnate Christ preparing to become a man before He even created the world and mankind (Preincarnate means before Jesus became a man). He came from outside our universe, from eternity. Yet His work impacted all of history by providing salvation to all people throughout history who put faith in Jesus. You see, the Old Testament sacrifices did not result in the forgiveness of sin. That is why they had to keep offering sacrifices over and over again, continually reminding them that they were still in their sins (Hebrews 10:1-4).

So why keep on offering them? Because they offered the sacrifices in faith, believing in the promised Lamb of God, Jesus, the final sacrifice. So when Jesus died on the Cross and rose again from the grave, He was that final sacrifice (Hebrews 7:27; 9:26; 10:10; 1 Peter 3:18) overcoming death and giving life to all those who in faith, offered the sacrifices in the past as well as those who put their faith in Christ today.

Only our God, in such fulness of love for us, could and would provide for us in such a way that would enable us to love Him in such a way that would be pleasing to Him. For it is certainly true, "we love Him because He first loved us (1 John 4:19)."
