**AND GOD SAYS . . .**

*In his heart a man plans his course, but the Lord determines his steps. (Proverbs 16:9 NIV)*

So, if we want reformation, we, the church, need to speak up on the real issues and take a stand for truth, willing to pay the price of facing the world's resistance and mockery, Only then will the Church be respected and have the influence on the world it ought to have.

Yet, as I consider his words and the spirit in which they were delivered, I wonder if there is not more going on than meets the eye. I sensed and heard a very real awareness of God's purpose for him in this term of office. I reminded me of the Babylonian kings, King Nebuchadnezzar and the Persian king, King Cyrus, both of whom were greatly used by God to work in the lives of his people, Israel.

But keep in mind, God's purpose in working in His people through these kings was not about their national sovereignty, their restored culture, an easy or prosperous life, their safety or security, or even their independence. Rather the prophets repeatedly declared God did it for three basic purposes, namely: 1. To glorify His own name by keeping His word and showing justice. 2. That the nations would realize that God is Lord through the way He dealt with Israel. 3. That Israel would know that God is their sovereign Lord.

I cannot help but believe, that the God, who does not change, is still working to accomplish these same goals in America. The sad thing is, I fear that the many Americans today are excited because they are hoping God, through Trump, will do the former things rather than accomplish His greater purposes, and that will leave them sorely disappointed. We need to examine ourselves to discern what our heart's desire is and see if it is tune with God's heart and purposes.

“CHAD”  
Chad is the  
CCHS Pet of the Week!

SAVE A  
SHELTER PET!

Chad came to CCHS as a transfer from another shelter that became very overpopulated. Chad is a 3-year-old Shepherd mix who weighs 50.2#. He is very handsome with the usual black and tan Shepherd markings with wonderful perky ears. Chad is the total package: super sweet, a pro on the leash, and he's a fan of snuggles and treats. He has a pleasant outlook on life and is always curious when visitors stop by to see him. He's still rather young so would benefit from an active lifestyle going for walks or hikes. Chad would prefer there not be any cats in his new home. He's such a lovable boy and we just know he'll make a fantastic companion. If he's the best friend you need in your life, apply to adopt Chad today! You can submit your adoption application on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our web-site: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.
