# AND GOD SAYS . . .

| Who is Jesus?                                                                                                     | So who is He?                                           |
|-------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|
| In chemistry, he turned water to wine.                                                                            | He is greatest man in history.                          |
| In biology, he was born without the normal conception.                                                            | Jesus had no servants, yet they called Him master.      |
| In physics, He overruled the law of gravity when He ascended into heaven.                                         | He had no degree, yet they called him teacher.          |
| In economics, He overcame the law of diminishing returns by feeding 5000 men with two fishes & 5 loaves of bread. | He had no medicines, yet they called Him healer.        |
| In medicine, He cured the sick and the blind without administering a single dose of drugs,                        | He had no army, yet kings feared Him.                   |
| In history, He is the beginning and the end.                                                                      | He won no military battles, yet He conquered the world. |
| In government, He said that he shall be called wonderful counselor, prince of peace.                              | He committed no crime, yet they crucified Him.          |
| In religion, He said no one comes to the Father except through Him.                                               | He was buried in a tomb, yet He lives today.            |
|                                                                                                                   | I feel honored to serve such a leader who loves us!     |
|                                                                                                                   | — Anonymous                                             |

While this is a powerful description of Jesus as He lived on this earth, it pales in comparison with what is yet to come. From Revelation, chapter 5 through the rest of the book, John describes the unfolding of the last days. These are the days in which Jesus will lay claim to the earth and will meet out perfect justice. This is the time when all people will be required to answer to Him as they bow the knee to Him. This will be a great day for those who have put their trust in Him but it will be a terrible day for those who have ignored or rejected Him. Are you ready for that day?

# NATIONAL MILITARY Appreciation Month

## May Is Military Appreciation Month!

National Military Appreciation Month in May is a month-long observance honoring the sacrifices of the United States Armed Forces.

Today, the United States Armed Forces is comprised of six branches including the Army, Navy, Airforce, Marines, Coast Guard, and Space Force. The U.S. military force is 2.2 million strong and includes National Guard and Reserve units.

There are more military-related observances during the month of May than any other month, so it is an appropriate time to celebrate the men and women in uniform. During May, we recognize Loyalty Day, VE Day (the end of World War II in Europe on May 8, 1945), Armed Forces Day, Military Spouses Day, and Memorial Day.

### HOW TO OBSERVE

#### #MilitaryAppreciationMonth

- Thank military personnel and veterans for their service.
- Host a luncheon, picnic, or another event to recognize their service.
- Share your experiences in the military.
- Recognize family members of military personnel.
- Support veteran causes such as Honor Flights and Disabled American Veterans (DAV).

THANKS

to Our Veterans & Military

MILITARY APPRECIATION MONTH ACTIVITIES

- **Thank a military member or veteran**  
Call a military member you know and thank them for their service. Let them know efforts aren't going unseen!
- **Brush up on your military history**  
The history of the U.S. Military is full of fascinating, epic stories that run the gamut from tragedy to triumph. Take some time to read up on the many ways the military affects American society.
- **Volunteer with a local veterans service organization**  
Many veterans are elderly, on a fixed income, and even homeless. Find a local organization that supports these vulnerable populations and volunteer to serve some food, distribute supplies, or spend time socializing with veterans who need it.

Every day, America's service members selflessly put their lives on the line to keep us safe and free. Please take a moment to let our troops know how much we appreciate their service and sacrifice.

THANK YOU For Your Service!

Pet of the Week

"CLAY"

Clay is the  
CCHS Pet of the Week!

SAVE A  
SHELTER PET!

Clay came to CCHS with his brother and sisters earlier this month. He comes from a litter of 4, and all are wonderfully charismatic puppies. They were born on 2/09/24, so are now about 11 weeks old. Clay weighs 18.4lbs and is expected to get a little bigger as he continues to grow up. Clay is light brown in color with slightly droopier ears and some white on his chest. He likes to play with toys and his siblings so make sure to train and socialize so that healthy habits are formed moving into adulthood. Being mostly Shepherd, he is also a smart boy, ready to learn lots of new things. He gets along great with everybody and would love to join your family! You can submit your adoption application for Clay on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!
