# AND GOD SAYS . . .

**Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand.**  
**Matthew 12:25-26.**

In context, the above Scripture is in reference to Jesus healing a man who was blind and mute. But the pharisees accused Jesus of casting out demons that caused this man to be blind and mute by the power of "Beelzebub, the ruler of the demons."

Jesus then responds to their accusations by explaining why this cannot be. He told them if it was by the power of Satan that He cast our demons, then Satan would be destroying his own kingdom, and he surely would not do that.

You see the real battle that is presently going on in our nation, and even more, the whole world, is a war between Satan, the prince of darkness, and God, the light of the world. It is a war between light and darkness, truth and lies, life and death and any compromise of those in one kingdom with those of the other will ultimately lead to the destruction of the one who compromises and the dominance of the other.

This happened when prayer and Bible reading was removed from the school, then from the government, then from the public square, so that there is no longer a fear, or even a tolerance, of the true God.

It also happened with creation vs. evolution. Creationism open the door for evolution to be taught till the teaching of evolution is the only teaching that is acceptable to the point that creationism is totally rejected and ridiculed.

Shall I go on? The sanctity of life has given way to the culture of death to the point that the killing of unwanted babies is celebrated and those who disagree are attacked. The sanctity of the marriage commitment has given way to hedonistic self fulfillment resulting in accepting sexual relations as a mere activity without any moral overtones. And so on.

Therefore, based on the teaching of Jesus above, I do not see any hope of saving the United States as a nation because it is too divided to stand. The only hope is for we as a people to once again fear God and stand true to His standards of righteousness. But will that happen?

### May 21-27, 2023 National EMS Week

In 1974, President Gerald Ford authorized EMS Week to celebrate EMS practitioners and the important work they do in our nation's communities. NAEMT partners with the American College of Emergency Physicians (ACEP) to lead annual EMS Week activities. Together, NAEMT and ACEP are working to ensure that the important contributions of EMS practitioners in safeguarding the health, safety and wellbeing of their communities are fully celebrated and recognized.

EMS Week brings together local communities and medical personnel to honor the dedication of those who provide the day-to-day lifesaving services of medicine's "front line." Whether celebrated with a company cookout or a catered lunch; an open house, an awards ceremony or even quiet reflection about what it means to be an EMS practitioner, EMS Week is the perfect time to recognize EMS and all that its practitioners do for our nation.

# From The All-Abilities Playground Committee of Black River Falls:

On May 17th the City Council approved this design to be installed in place of the existing playground within the Lunda Park. The installation of the new playground equipment and rubber poured-in-place surfacing is tentatively scheduled for October 2023. Phase 2 portions of the project, including installation of a safety fence around the perimeter of the play area and an accessible bathroom, will be completed in 2024.

*The committee would like to extend a special **THANK YOU** to all who have donated to this project! We are so grateful to each of our donors for helping to make this all-abilities, multi-generational play area a reality for our community.*

# Clark County Humane Society's Pet of the Week

## "BOBBI SUE"

Bobbi Sue is the CCHS Pet of the Week!

Bobbi Sue came to CCHS from another overcrowded Shelter in Texas. Bobbi Sue is just 6 months old, weighs about 25#, and is a spayed female. She is a cute girl with a short-haired tan and white coat, and her eyes match the color of her coat. As you can tell by her picture, Bobbi Sue is a bit of a timid girl. She's been through lots of changes in her young life and is still adjusting. She gets along well with other dogs, so would do best with another dog in her new family to be her friend and show her the ropes. She has a sweet personality and just needs a family to give her a chance and help her blossom. If that's you, please apply to adopt Bobbi Sue today! You can submit your adoption application right on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Freeday Friday is back!! On Friday, June 2nd, Freeday Friday will be held at our original CC Resale Store. It's located at 600 Hewett St, in downtown Neillsville, on the corner opposite the Post Office. This is our "inconvenience store". We have lousy parking, terrible hours, not much is organized and we don't care if you buy anything or not. And yet, people love it. You know why?..... cuz it's all FREE! That's right, bring your bags, boxes, cars, trucks or buggies and fill 'em up. It's all free! We call it Freeday Friday and it's June 2nd from 9:30 to 11:30 a.m. See you then!!
