### Phone and Internet Discounts Available to CenturyLink Customers

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone or qualifying broadband service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits (up to an additional \$25 of enhanced Lifeline support monthly and a credit of up to \$100 on their initial installation charges) if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone or qualifying broadband service per household, which can be on either a wireline or wireless service. Broadband speeds must be 25 Mbps download and 3 Mbps upload or faster to qualify.

A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain a Lifeline discount can be punished by fine or imprisonment and can be barred from the program.

If you live in a CenturyLink service area, please call 1.800.201.4099 or visit centurylink.com/lifeline with questions or to request an application for the Lifeline program.

## STATE OF WISCONSIN

### TOWN OF FREMONT

### CLARK COUNTY, WI

**Notice is hereby given that the Board of Review for the Town of Fremont, Clark County, Wisconsin, shall hold its first meeting on June 1st, 2022, from 7:15 pm-9:15 pm, at The Town of Fremont Hall, N5671 Oak St, Chili, WI. Please be advised of the requirements to appear before the board of review and procedural requirements if appearing before the board:**

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property.
2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.
3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.
4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.
5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.
6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Fremont has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court." The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. stats.
7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

**AND GOD SAYS . . .**  
**But mark this: There will be terrible times in the last days. (2 Timothy 3:1-2) One would expect after a statement like this that we would hear about the terrible things that will happen, like how much suffering and death there will be. Instead, the apostle Paul continues by talking about the corrupt character of the people. Listen to what he says:**  
People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God—having a form of godliness but denying its power. Have nothing to do with them. (2 Timothy 3:2-5).  
The implication is that the terrible times in the last days will be caused by self-absorbed people. People without discipline, concerned only with themselves. They are people who are empty emotionally, unhappy with their life and acting out against others as a vent for their inward anger. Bottom line is, they have no personal relationship with God. Rather they believe God is unable to do anything about their unhappy life. So if anything is to change, they will have to do it themselves, so they go on the attack.  
I could go on, but you get the picture. You see, Paul is describing the progressives who seek to cancel those with whom they disagree by intimidating, marginalizing and terrifying them in anyway they can. They shout defective slogans, like "my body, my choice," ignoring the fact that abortion is about another, the helpless baby in the womb. They demand that their desires be met, all the while ignoring their own responsibility to consider the needs and feelings of others.  
Now the big surprise is the apostle's final word of advice, "Have nothing to do with them." The Greek text literally says to "turn away from them." Don't give in to them. Don't placate them. Don't fear them. If you do, they will just demand more. But show them the true love of God as you pray for their soul and share the truth of Jesus with them. For He is the only answer to their needs.
