### Clark County Humane Society's Pet of the Week

## "BETTY"

Betty is the CCHS Pet of the Week!

Betty came to CCHS with her siblings Archie, Veronica and Jughead from a local farm the week before Easter. This pretty girl is a Mixed Breed, most likely including Border Collie, Heeler, Aussie and/or Catahoula, although we really can't say for sure. We can say that she is 4 months old (estimated DOB 12/23/24) and weighs 18.7 # currently. Betty is a happy girl with a pleasant personality. She is very pretty with a short-haired coat that is brown, tan and white. She has one brown eye and one blue eye, too! She's ready and excited to meet her new forever family now, so stop in today to meet this good girl! With any rescue, training and socialization are incredibly important to the success of the pup. Apply for Betty today! You can submit your adoption application on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, especially puppies, so please check them all out online and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!

## BARN OWL

### Is Democracy Worth It?

**When you and your group believe that *your way* is the only right way, then it feels like democracy is an obstacle.** It has layers of rules and laws, procedures and traditions that get in your way. In this case, your group may use Democracy for a while in order to take power, but then leave it by the roadside like an old car. **Democracy has grown and failed many times on this earth when sent down this path.**

**Democracy is designed to prevent Tyranny.** Once, Kings and the rich elite controlled the life of a nation and its people. Our Founding Fathers had experienced such a life and wanted a new system, where everyone could have an equal say in the growth and direction of their land. A system of **checks and balances** was designed to prevent the concentration of power in a few hands. Democracy forces everyone to work together - kind of like in kindergarten.

Of course, Democracy never works as well as it should. Democracy is messy and involves long speeches and loud arguments. But it holds together through the rules laid out and followed, through the institutions and practices that support it. Over time our system opened to allow the participation of not just white men with property, but all white men, then men of color and, finally, all women. **Under the rules, we hope that the push and pull of the parties will guide us slowly and carefully in a better direction.**

**In a healthy Democracy the responsibility of government is shared. Others perspectives have to be considered. Voting is considered an obligation, not a privilege, and cannot be taken away or restricted in the hope of controlling the result. A Democracy should not be sold to wealthy interests who can buy votes and pay to stoke fires of discontent. That is a democracy that is worth saving.**

Democracy should not be left unattended, to fall into the hands of Tyrants.  
Democracy and the rule of law only survive under constant vigilance and protection.

**Ben Franklin said, "We must all hang together – or we will all hang separately."**

## AND GOD SAYS . . .

Last week I stopped at a fast food restaurant and order a hamburger, order of fries and a drink. My bill was \$17.69. I could not hardly believe it. I have to admit it was a good hamburger and the fries were excellent. But I think back when McDonald's opened a new fast food restaurant in Roseville, Minnesota. They advertized "45 cents for a three course meal, at McDonald's." This included a hamburger, an order of fries and a milk shake. This was back in the late 50's. If my memory serves me right, the hamburger was 12 cents.

Then, when I was in college, the Dairy Queen in Grand Forks, North Dakota offered a special of five hamburgers and an order of fries for a dollar on Sunday evening. That was great because the food service at the college did not offer meals on Sunday evenings, so that provided our regular weekly meal.

But, at that time, a dollar was a lot of money, especially when I made \$.85 an hour washing dishes in the dinning hall on campus. There is no question about it, things have gotten a lot more expensive. A dollar is not worth what it used to be.

I say all this because, like everything else, this column is more costly to print each week. While the Banner Journal has been very gracious to me by working to keep the cost down, there have been a least two cost increases across the board in the last few years to meet their rising printing costs plus we have doubled our outreach. As a result, the balance in the "God says . . ." account has slowly dwindled so that we only have a one month reserve left.

So, I write, I think for the first time ever, asking for donations to continue financing this column. This column is totally reader sponsored and any donation received goes 100% towards the cost of publishing this column. Your donation, however, is not tax deductible. Thank you for your help. It is truly appreciated.

I have also found it to be true that "A generous man will prosper; he who refreshes others will himself be refreshed" (Proverbs 11:25). God loves to bless those through whom he can meet the needs of others. May God Bless you richly.

NATIONAL  
MILITARY  
Appreciation Month

May Is  
Military  
Appreciation  
Month!

National Military Appreciation Month in May is a month-long observance honoring the sacrifices of the United States Armed Forces.

Today, the United States Armed Forces is comprised of six branches including the Army, Navy, Airforce, Marines, Coast Guard, and Space Force. The U.S. military force is 2.2 million strong and includes National Guard and Reserve units.

There are more military-related observances during the month of May than any other month, so it is an appropriate time to celebrate the men and women in uniform. During May, we recognize Loyalty Day, VE Day (the end of World War II in Europe on May 8, 1945), Armed Forces Day, Military Spouses Day, and Memorial Day.

HOW TO OBSERVE  
#MilitaryAppreciationMonth

- Thank military personnel and veterans for their service.
- Host a luncheon, picnic, or another event to recognize their service.
- Share your experiences in the military.
- Recognize family members of military personnel.
- Support veteran causes such as Honor Flights and Disabled American Veterans (DAV).

THANKS

to Our Veterans & Military

MILITARY APPRECIATION MONTH ACTIVITIES

- **Thank a military member or veteran**  
Call a military member you know and thank them for their service. Let them know efforts aren't going unseen!
- **Brush up on your military history**  
The history of the U.S. Military is full of fascinating, epic stories that run the gamut from tragedy to triumph. Take some time to read up on the many ways the military affects American society.
- **Volunteer with a local veterans service organization**  
Many veterans are elderly, on a fixed income, and even homeless. Find a local organization that supports these vulnerable populations and volunteer to serve some food, distribute supplies, or spend time socializing with veterans who need it.

Every day, America's service members selflessly put their lives on the line to keep us safe and free. Please take a moment to let our troops know how much we appreciate their service and sacrifice.
