AND GOD SAYS . . .
The Lord saw how great man's wickedness on the earth had become, and that every inclination of the thoughts of his heart was only evil all the time. 6 The Lord was grieved that he had made man on the earth, and his heart was filled with pain. 7 So the Lord said, "I will wipe mankind, whom I have created, from the face of the earth . . .for I am grieved that I have made them." 8 But Noah found favor in the eyes of the Lord. Genesis 6:5-8.

As I thought about writing this column this week and asking the Lord about it, this Scripture came to my mind. What a tragic commentary on the nature of mankind. "How great man's wickedness . . .had become, and that every inclination . . . of his heart was only evil all the time." What an appropriate description of the world we live in today.

We are becoming like Sodom and Gomorrah. The Bible says that God could not find even ten righteous people (Genesis 18:31-32) so the cities were destroyed totally, No one escaped but Lot and his family.

I have to wonder, have we begun to see God's judgment upon us? Thousand died because of Covid. Could it be, as Jonathon Cahn believes, an act of the judgment of God because of abortion? Economically, as a nation, we can't even pay the interest on the money we owe, yet, like a drunken sailor, our government is still spending money we don't have. We no longer have no moral compass or sense of decency. Violence is everywhere. I just read of a man who killed his friend because his friend wouldn't give him a dollar and of another man who pulled his wife out their car, punched in the face, knocked her down and tried to run over her with the car twice trying to kill her before he was stopped. Why? The take out chicken she bought was stale.

Maybe, unlike Sodom and Gomorrah, God has found at least ten righteous in America and that is why complete judgment has not yet been pronounced. If so, instead of persecuting Christians, non-Christians ought to thank us. It could be that we are the only ones holding back God's final judgment. And, if that is the case, are you part of the problem or the solution? Your answer will not only make a difference in our nation, but your future eternity.

For comments, concerns or questions call 715-284-2351.
Column is written by George Jaderston and paid for with donations from supporters.

Clark County Humane Society's Pet of the Week

"RUSSELL"

Russell is the CCHS Pet of the Week!

Russell is a 5-year old Pug that weighs 16.2#. He has a short-haired coat that is fawn colored with some black on his face. Russell came to CCHS from a local farm, and he's looking for a new forever family. When he came to the Shelter, he had a badly injured eye that was causing him a lot of pain and discomfort. Once the vet removed the eye, Russell felt so much better and was so much happier! Russell has a pretty laid-back personality. He is friendly and would enjoy snuggling with his new family. His life goal is to be an outstanding couch potato with plenty of snack time built in. If you have the home Russell is looking for, please apply to adopt him today! You can submit your adoption application for Russell on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially dogs and puppies, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
