BARN OWL

The 3.5% Rule

Erica Chenoweth, a researcher of the Harvard Kennedy School found an interesting piece of history. She has studied the rise and fall of dictators. She found that **when 3.5% of a country's people actively join together against a dictatorship during a peak event, nonviolently, no government has withstood the challenge.** There are exceptions, but as a rule of thumb – 3.5% is what it takes. This does not happen by magic. A strong movement requires leadership, energy, organization and people who continue when it is hard. That is no small thing. **Why does this work? Three big reasons:**

- DISRUPTION:** Nothing runs normally when so many people resist
- SYMPATHY AND SUPPORT:** With so many active, there is a **larger** number who do agree and will provide help
- DEFECTIONS:** People who supported the government start to change sides.

Let's look at the numbers: 3.5% of the U.S. population is over 11 million people. **The largest single-day demonstration in US history was the Women's March in January 2017. 4 million people** organized and joined marches in Washington and other cities that day. That's only 1.6% of the population **So, there is a chance to turn this mess around, never forget that.** Life is busy. Not everyone can be a leader or make speeches or know how to change the world. But commit to being present for a few minutes each week. Stand with a sign. Make a phone call. Write a letter. Donate money. – And you are part of the solution. **June 14th 2025 is NO KINGS DAY.** There will be protests around the country. Locally:

- La Crosse State Rd and Losey 6/14 noon – 2
- La Crosse Riverside Park 6/15 noon – 2
- Eau Claire Federal building 6/14 noon – 2:30
- Marshfield 201 S. Chestnut 6/14 3 – 6:45

To find out what is near you, visit

- indivisible.org,
- nokings.org,
- fiftyfifty.one
- your local democratic party web page

There are weekly protests to defend democracy:

- In La Crosse Every Friday 12 – 1 at 400 La Crosse St.
  - In Wisconsin Rapids, every Friday 3 PM.
- E. Riverview Expressway near Aspirus Hospital
  - In Eau Claire, every Wednesday 4 – 5:30 PM
- Federal Court House 500 S. Barstow

# Clark County Humane Society's Pet of the Week

## "SPIKE"

**Spike is the  
CCHS Pet of the Week!**

Spike came to CCHS when found as a stray in the Township of Levis. Spike is a mix of Jack Russell Terrier and Blue Heeler. He is 6 months old and weighs 18.8#. Spike was very relieved to come to the Shelter, as he had met up with a porcupine prior to his arrival. His nose and face had lots of quills embedded, so he was very happy when our vet team was able to quickly remove them and get him feeling better. He's now doing wonderfully and is a happy and bubbly pup. He's very excited to greet visitors from his kennel, and he knows he's ready to find his new forever home. The unusual part of Spike's story is that two more stray pups arrived at CCHS over the next couple of days. They looked just like Spike, and all had met up with a porcupine too, probably the same one. We're betting they are brothers, as they all have similar personalities. We are just happy they all made it to CCHS, even if it was one at a time! With any rescue, training and socialization are incredibly important to the success of the pup. If you're ready for a great new friend to join your family, please submit your adoption application for Spike (or one of his brothers, Quill and Porky) today! You can submit your adoption application on our website [www.cchs-petshelter.org/](http://www.cchs-petshelter.org/) applying-to-adopt. We have lots of wonderful pets available for adoption now, especially puppies, so please check them all out online and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/> volunteer or email April at [cchsoutrreach1@gmail.com](mailto:cchsoutrreach1@gmail.com).  
Come join our CCHS volunteer family!

# AND GOD SAYS . . .

**Do you feel alone, rejected, unloved, unappreciated, despised, without hope? If so, you are not alone. They say "Misery loves company." But that doesn't help alleviate your loneliness or solve any issues.**

A girl named Dorie felt this way. In fact, a book was written about her story and how her life was filled with rejection, abuse, ridicule, and criticism, so much so that she felt no one loved her. The book's title is "Dorie: The Girl Nobody Loved," by Doris Van Stone with Erwin W. Lutzer. A description of the book states "As a child, Dorie was rejected by her mother, sent to live in an orphanage where she was regularly beaten by the orphanage director, was beaten time and again by cruel foster parents, and was daily told that she was ugly and unlovable."

Thinking of this reminds me of another man who was rejected and despised by his own people. Although he really tried to help them, they criticized him no matter what he did. They even tried to kill him on a couple of times, but he was able to escape from their attempts. They finally turned the whole neighborhood against him so that they wanted nothing to do with him. They would even follow him around when he went to other cities to disrupt his ministry. So he is able to really sympathize with those who are hurting.

And who is this man? This man is Jesus. The Son of God. And the thing is, unlike Dorie who had no say in what happened to her, Jesus willingly accepted this rejection so that he could completely meet the needs of all of us who are needy and hurting. So it is that he says to us: "Come to me, all you who are weary and burdened, and I will give you rest" (Matthew 11:28).

Dorie took him up on his offer and found the help she needed, not only to be rescued from her abusive circumstances, but the healing of her soul inwardly while finding the deep spiritual peace that comes from the loving relationship she found in Jesus.

And just as Dorie found the rest for her soul in Jesus, you can too. It is through Jesus. If you will truly confess your need of him and put your trust in him, he will give you that inner peace you so much long for. Call out to him. He will meet your needs.

SUDOKU

Sudoku grid

Level: Advanced

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.
