# AND GOD SAYS . . .

I was recently introduced to a word game on my phone called **Crossword Quest**. The last word in the last puzzle I was trying to complete was a seven letter word that had these letters contained in it— **AUTOSPY**. The second letter in the puzzle was a “U” and the fourth letter was an “O.” I was stuck on this for the longest time because my mind was locked into this these two words— **AUTO** and **SPY**. After trying, it seemed like every combination possible, I rearranged the last three letters and tried **PSY**, though in my mindset, **AUTO - PSY** did not make any sense. But, low and behold, the game accepted the word and the puzzle was complete. It was then that I realized my mistake. I had been putting the emphasis in the wrong place. It was not “**AUTO** and **SPY**, but **AU-TOP-PSY**.”

As I stopped to think about this, I realized that I had been blinded to the truth by my preconceived placement of emphasis. I could not recognize the correct word until I get out of the preconceived box my mind was in. Only then could I see the correct pronunciation of the word.

This realization opened up a whole new set of ideas. I realized that this is where we are in our culture today. We have been programmed to leave God out of our thinking. For example, our children are taught in school to think only on a materialistic level, never on a spiritual. That is, they think only of our existence with the mindset of evolution, that things just happened, without purpose and without meaning. Thus, as Romans 1:21 says, “their thinking becomes futile.” It is stuck in a box without meaning or purpose.

It is this same mindset recorded in the Bible when the disciples could not recognize Jesus as the walked on the road to Emmaus. Their minds were trapped in a materialistic mindset. To see the truth, Jesus had to open their spiritual eyes to see spiritual truth. My friend, have you allowed your mind to become trapped in a materialistic mindset so that you see no hope for the issues you face? Why not let Jesus open your eyes so you can see your circumstances through His eyes? It will make all the difference.

Pet of the Week

"SYLVIE"

Sylvie is the

CCHS Pet of the Week!

SAVE A SHELTER PET!

Sylvie is a very pretty 2-year old girl who came to CCHS with her 5 kittens when they were found as strays in the Loyal area. Sylvie was a good mama to her kittens and they have all been adopted. So now it's Sylvie's turn! Sylvie has a short-haired black and white coat with really cute markings and big, bright eyes. Not only is she pretty, but Sylvie is a special girl too. Sylvie has tested positive for FIV, but she can still have a long and healthy life. FIV is spread by deep bite wounds, so as long as she gets along with them, she can live with other kitty friends safely. In fact, she is enjoying life in Kitty City at the Shelter. Sylvie can be a bit shy with new people, but treats are the way to her heart and then she really enjoys petting when she's comfortable with you. She's really hoping for a chance to be happy with a new family! You can submit your adoption application for Sylvie right on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt). We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!
