# AND GOD SAYS . . .

I recently came across a copied article in the September, 2016 “Morning Glory” periodical, published by the Hauge Lutheran Innermission Federation entitled “Hell Has Its Good Points!”

The author began by saying that “We’ve been a little unfair about Hell! We’ve talked about how bad hell is but there are some good points.” I wondered what they could be.

1. “There won’t be any hypocrites in hell.” Actually all hypocrites go there, but in hell they won’t be hypocrites anymore.
2. “There won’t be any churches there.” I guess that is a good thing for those who cuss the church and get mad when they are invited to attend. Well, those who hate the church will never be bothered again.
3. “There will be no preaching.” Those in hell will never again experience conviction because of their sin, no remorse over those they have hurt, no need of God or of His offer of salvation, no love—because God is love and He won’t be there, and no mention of Jesus, whom they have rejected.
4. There will be no more gospel message, because there will no longer be the hope of salvation. God says, “man is destined to die once, and after that to face judgment” (Hebrews 9:27)

So I guess it will be that if your eternal destiny is hell you will really get what you wanted all along. But don’t blame God because it is not what you expected. He has not deceived you. He has told you very clearly what hell is like. Loud music and other distractions will be to no avail to distract you from your suffering because the “weeping and gnashing of teeth,” will drown out everything else.

Jesus said, “The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. They will throw them into the fiery furnace, where there will be weeping and gnashing of teeth” (Matthew 13:41-43).

Friend, now is the day of salvation (2 Corinthians 6:2). Don’t pass up the offer of God’s forgiveness that He offers today. He may take it off the table tomorrow and, if or when He does, you will no longer have any hope for a peaceful, fulfilled, or happy future, but only the dread of eternal judgment. And contrary to the belief of many, hell is not party time. It is a time of reckoning that never ends. You really don’t want to go there.
