AND GOD SAYS . . .

This is one of the hardest occasions for me to write this article. My mind is elsewhere. You see, I am at camp on a beautiful day watching a family with young children on the beach swing and play in the water. I also see the fishermen out on the lake where I want to be right now. But, alas, I am not. But my mind is—and that is what makes this article so hard to write. I want to do one thing, go fishing, but I need to do another, write this article.

The result is I am having a hard time concentrating, the article is taking much too long to write, and inside of me a war is going on. My feelings and inward desires want to forget writing and just enjoy the time. But my sense of responsibility and the deadline I need to meet keep me at the computer.

It is this dilemma that reminds me of a Scripture passage found in Romans 8:5-9. It says that “Those who live according to the sinful nature have their minds set on what that nature desires; but those who live in accordance with the Spirit have their minds set on what the Spirit desires. The mind of sinful man is death, but the mind controlled by the Spirit is life and peace; the sinful mind is hostile to God. It does not submit to God’s law, nor can it do so. Those controlled by the sinful nature cannot please God. You, however, are controlled not by the sinful nature but by the Spirit, if the Spirit of God lives in you.”

These verses speak truth. They teach us that we have to make choices, the choice to serve God or to live to please ourselves. They teach that we cannot do both, we must choose between them. They teach that if we choose to please self, then we will not please God. Indeed, we cannot please Him. This, in itself, is a dividing line between a true follower of Jesus Christ and one who merely professes to follow Jesus. This why God says that we will be tried by our works because our works reveal whether we have chosen by faith in God’s word or on the basis of the desires of our flesh (2 Corinthians 5:10). The final question is, do your works support your profession of faith in Jesus? If not, maybe you need to reexamine the genuineness of your faith.

SEE FOR YOURSELF:

Two weeks ago, I was looking for some items for a project I was working on. Not finding these items in our usual stores, I went downtown to Moe Hardware. If you haven't walked through this store, you don't know what you're missing. This hardware store has just about anything you need. It's truly amazing. My dad always told me, if you cant find it in town, Moe Hardware has it. Lynn Finch

Clark County Humane Society's Pet of the Week

"RILEY"

Riley is the CCHS Pet of the Week!

Riley is a 10 year old Mixed Breed neutered male who weighs 68#. He is one very handsome boy with a tri-color coat of black, tan and white. He's got a lovely fluffy tail with a white tail light, too! Riley is a happy guy who loves his treats. He will jump and spin if there's a treat available, and he loves to have his belly rubbed. Riley is housebroken and will pace by the door when he needs to go out. He likes to visit the dog park regularly, but has not lived with cats. He will do best in a home without young children as he gets anxious around them. He enjoys going for walks and hanging out with his people. If you're looking to add a handsome new friend to your life, please consider adopting Riley! You can submit your adoption application for Riley right on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

It's time for another Freeday Friday!! On Friday, August 4th, Freeday Friday will be held at our original CC Resale Store. It's located at 600 Hewett St, in downtown Neillsville, on the corner opposite the Post Office. This is our "inconvenience store". We have lousy parking, terrible hours, not much is organized and we don't care if you buy anything or not. And yet, people love it. You know why?.....cuz it's all FREE! That's right, bring your bags, boxes, cars, trucks or buggies and fill 'em up. It's all free! We call it Freeday Friday and it's August 4th from 9:30 to 11:30 a.m. See you then!!

Like Working Outside? Seasonal Tractor Operator in Our Harvest Operation

We are looking for experienced tractor and small crawler operators to become valued members of our annual sphagnum harvest crew. For over 90 years, we have led the Wisconsin sphagnum moss industry, harvesting in a sustainable manner so this wild moss grows back. You will learn all about sphagnum moss and how we harvest it.

We have only three positions available including:

- Operating one of our Oliver Crawlers extracting a load of newly harvested moss from the marsh to landing or running next to one of our Moss Pulling Machines
- Operating one of our tractors pulling the load to the loading area

Ideal candidates will have experience driving tractors and light equipment. We are harvesting now through the end of November. We will also consider students with farming experience for summer positions. 40 hours/week Monday – Friday. Some overtime may be available but not required.

The crew assembles at our plant in Millston and drive together to the harvest site, about 20 minutes away.

Job Type: Part-time

Salary: From \$15.00 per hour

Schedule

- 8 hour shift
- Monday to Friday

Ability to commute/relocate:

- Black River Falls, WI 54615: Reliably commute or planning to relocate before starting work (Required)

Call for job details: 715-670-7021
Easy application: Call for an email application or stop by our office for an interview.
