Call or Stop In....If We Are here We Are Open!

AND GOD SAYS . . .

When justice is done, it brings joy to the righteous but terror to evildoers. Proverbs 21:15 Let me ask a question. Is the aura of the people of America one of joy, peace and a feeling of security or one of frustration, anxiety, hopelessness, and fear? Are we living in a time of a sense of well-being or of lawlessness and violence?

The answer is obvious to anyone who is the least bit aware of issues plaguing our nation. In some of our nations largest cities, murders are at an all-time high, drug abuse is staggering, suicides are a major cause of death among our young people, immorality is epidemic, and it is only getting worse. Businesses are closing all across the county due to the threat of bankruptcy due to shoplifting and other crimes. Our children are being preyed upon by sexual deviants. Law-abiding citizens are targeted by law enforcement while the real criminals go free. It is an upside down world we live in.

So why is that? Maybe it has something to do with a lack of justice in the land. And why is injustice so prevalent today? Maybe Proverbs 28:5 will give us a clue.

Evil men do not understand justice, but those who seek the Lord understand it fully.

Maybe the fact that, according to one of the latest polls, less than 25% of Americans believe that the Bible is true has something to do with the lack of understanding justice. That means 75% of Americans no longer trust God's word which reveals the standards by which a society can co-exist in peace and harmony. But even more importantly, it means that over 75% of Americans no longer believe in the creator God who gives and sustains life, and prospers one nation and brings another nation down (Job 12:23; Isaiah 60:12). And finally, it means that at least 75% of he people do what is right in their own eyes, which naturally results in chaos. Maybe the final answer is found in Proverbs, chapter 29, verse 26 which says:

Many seek an audience with a ruler, but it is from the Lord that man gets justice.

What do you think? Is it time to turn to the Lord, not only that we might get justice, but that we might have life, and have it to the fullest (John 10:10; Ephesians 4:13).

IT TAKES A VILLAGE

Join us for the Black River Falls Area Foundation's ANNUAL Friends of the Foundation LUNCHEON and HONORARY TRIBUTE TO RETIRING TRUSTEES David Hoffman & Mike Dougherty

David was one of the Foundation's original Trustees and was instrumental in helping establish the Foundation. He has continually served as Vice-Chairman since 1986.

Mike joined the Foundation Board in 1998 and has served as the Foundation's Treasurer for the past 25 years. He helped the Foundation grow from assets of one million in 1998 to five million in assets today.

Tuesday, September 19th, 2023
11:30 am to 1:00 pm
Skyline Golf Course, Black River Falls, WI

You are invited to become a 2023 FRIEND of the Foundation with a contribution of \$100 per person. Please attend our FRIENDS luncheon and help us recognize David and Mike for all they have done for our community.

Since 1996, the Foundation's annual FRIENDS Solicitation has been our only grant fundraising event. 100% of FRIENDS donations are used to fund the following year's grant requests. This ensures that your donation will help the most community members possible as we support the non-profit organizations and volunteers that support our community. To date the Foundation has awarded more than 800 Grants to 124 different, diverse, local, non-profit organizations, totaling over \$6.8 million dollars. What an astounding community accomplishment! Thank you! We look forward to continuing our successful tradition and celebrating with you at this year's appreciation luncheon.

Our gathering will be dedicated to honoring retiring Trustees David Hoffman and Mike Dougherty, two of the men responsible for the Foundation's success. We invite David and Mike's families, friends, co-workers, and anyone who has been touched by their wisdom, guidance, and philanthropy to join us in thanking them for their many years of service to our community. If you would like to make a special donation in David and Mike's honor, your gift will be greatly appreciated!

Your generous gifts created, sustained, and help the Foundation to grow - THANK YOU!

Please RSVP by September 1st by using the on-line portal at www.brfareafoundation.org or email us at executivedirector@brfareafoundation.org or call 715-284-3113

BLACK RIVER FALLS AREA FOUNDATION

~Do a practice walk to school or the bus stop

Practice with your child on or before the first day of school, choosing a route with the fewest street crossings and avoiding deserted areas.

~Teach your child to never talk to strangers

Go over specific scenarios, such as a motorist asking for directions or assistance, or a stranger with a friendly pet, that may trick kids into interacting with a stranger.

~Teach kids what traffic signals and signs mean

Communicate the importance of obeying them. Remind kids to carefully cross streets at crosswalks, looking both ways twice and never entering the street from between parked cars.

~Go over school bus rules with kids

Remind them to stay seated throughout the ride. Teach kids to never approach or prepare to exit the bus until it comes to a complete stop, and to only cross at least 10 giant steps in front of the bus when exiting, so the driver can see them.

~Make sure your child knows your phone number

As well as your place of work, and his or her home address. Kids should also have a backup number for another trusted adult and know to call 911 in an emergency.

~Help organize your child’s backpack

Make sure it’s not more than 20% of his or her weight.

~Tour the school with your child

Meet the new teacher and find their classroom.

Achieving Your Real Estate Goals: Northern Investment Company’s Tips for Buyers and Sellers

In the midsummer market, it’s crucial for both buyers and sellers to grasp the subtleties of the season. Sellers should set competitive prices and leverage the heightened buyer interest during this period. Ensuring that homes are impeccably maintained and addressing any necessary repairs can amplify their appeal during this bustling timeframe. On the flip side, Buyers should be prepared to act swiftly, given the brief availability of sought-after properties. Collaborating closely with a dependable real estate agent who comprehends the nuances of this type of market can offer valuable insights and direction. By adopting the right approach, both Buyers and Sellers can seize the opportunities presented. *Let Us Help You Be Successful. Contact a NIC Real Estate Agent Today!*
