# JACKSON COUNTY FOR EDUCATION

## MISSION STATEMENT

Our mission is to raise community awareness regarding our public schools, to support the efforts of our instructional staff, to promote positive relations between teachers and parents, to hold the school board responsible in serving our districts and to encourage community engagement in the education of children.

Every student is unique and valued. Parents and the community, serving as valued members, are needed to mentor and serve the students by encouraging them to reach their full potential.

## WAYS TO HELP AND BRING POSITIVE CHANGE

1. Affirm the importance of parental and community partners in leadership roles.
2. Promote student success and workplace readiness as the primary way to prepare and promote our community for the future.
3. Encourage effective leadership in a community, which is about sharing information, holding itself accountable, and to use reason and community feedback to make decisions.
4. Strive for exceptional outcomes instead of acceptable. In order to benefit the community, the school districts need to focus on preparation for students in the real world.
5. Encourage programs and opportunities for parents to be involved. Positive adult role models and business mentorships will create community bonds that promote collaboration and empathy.
6. Emphasize full transparency of school districts to inspire trust and understanding within the community.
7. Motivate students to meet their individual potentials, and to inspire critical thinking as they become lifelong learners.
8. Promote a culture of cooperation and strongly encourage community involvement.

Ask yourself if your school district serves students, or outside interests? Does your district welcome your feedback and answer your questions? Do your districts test scores reflect the level of education your students deserve? Do you believe that a strong cohesive school district will create opportunities where you live? What is the best way attract investment and maintain our community values?

# AND GOD SAYS . . .

**Why do the nations conspire [enter into a conspiracy], and the peoples plot [plan secretly] in vain? The kings of the earth take their stand and the rulers gather together against the Lord and against his Anointed One. “Let us break their chains,” they say, “and throw off their fetters.”**

The One enthroned in heaven laughs; the Lord scoffs at them. Then he rebukes them in his anger and terrifies them in his wrath, saying, “I have installed my King on Zion, my holy hill.”

I will proclaim the decree of the Lord: He said to me, “You are my Son; today I have become your Father. Ask of me, and I will make the nations your inheritance, the ends of the earth your possession. You will rule them with an iron scepter; you will dash them to pieces like pottery.”

Therefore, you kings, be wise; be warned, you rulers of the earth. Serve the Lord with fear and rejoice with trembling. Kiss the Son, lest he be angry and you be destroyed in your way, for his wrath can flare up in a moment. Blessed are all who take refuge in him.

*A psalm of David. When he fled from his son Absalom. (Psalm 2)*

When I read this Psalm the other evening, I could not help thinking “How apropos this Psalm is for today.” Just think of the many issues we are facing to today. Then think about which ones we are trying to deal with according to our own wisdom and which ones we are looking to and submitting to God for his answer. If you answered “none” to which ones we are looking to God for his solutions, you answered correctly. In effect, we are “taking our stand against the Lord and against his anointed,” the Lord Jesus Christ.

Then consider the admonition David gives the nations. He says “Serve the Lord with fear and rejoice with trembling.” Instead, we fear what our government and ungodly people will do to us if we would dare to take a stand against the humanistic/atheistic views of today.

But I believe the time is coming, and coming soon, when he, our Lord will rule with an iron scepter. And if so, it is certainly the time to “kiss the Son lest he become angry and you be destroyed.”

## Clark County Humane Society's Pet of the Week

### “Sweetie”

Sweetie is the  
CCHS Pet of the Week!

Sweetie was surrendered to CCHS from a local farm. She is a mixed breed about a year old and weighs 34#. She has a soft fluffy coat of white and brown and black. Since coming to CCHS, Sweetie has been vaccinated, microchipped, dewormed and of course, spayed. No more puppies for her to raise! This pretty girl has a gentle personality with lots of love to share. Sweetie is looking forward to a wonderful future with her new family. If you’d like to adopt this beautiful girl, please apply to take her home today! Applications to adopt Sweetie can be submitted through our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Have you checked out the CC Resale store lately? There’s lots and lots of new merchandise to choose from, along with a wonderful selection of decor and gifts. The store is located at 815 Hewett Street, Neillsville (the old Kwik Trip building) and is open Saturday morning from 9:30 - 11:30. Stop in and find some great deals!
