Mayor Poeschel declared all reports filed as presented with the City Clerk.

Jerilyn St. Amand stated that it is good that the Council Members are checking their wards, she has a concern about the homeless population, overflowing dumpsters creating a health concern and someone complaining about her Crime Stopper sign.

Mayor Poeschel asked if there were any questions on the Personnel Committee item (1).

Motion Neville, second Clough, to accept the recommendation to approve the Employee Handbook update with changes made.

Council Member Petkovsek offered a friendly amendment effective January 1, 2025.

Both Council Members Neville and Clough agreed to the amendment.

The Family active plan premium is remaining the same at \$1,961.17 per month-0.0% increase, Single active plan premium is remaining the same at \$905.06 per month-0.0% increase. The current deductibles are \$6,000 family and \$3,000 single. Minor changes to hearing aid batteries and some digital therapies.

Motion Counsell, second Rochester, to accept the health insurance contract renewal with Security Health for 2024-2025. All Aye.

Mayor Poeschel presented a request from the Neillsville Area Chamber of Commerce for use of the Heritage Days tent, tables and chairs for a “Business After 5” event on Tuesday, August 20, 2024 in the Industrial Park to showcase our Industrial Park businesses.

Director of Public Works Friemoth stated the tent has been used by a handful of people, now it is becoming more, it takes a lot of time for set up and take down involving two days, which takes workers away from other work, holes will have to be drilled to set up the tent.

Discussion followed on six or seven people to set up the tent, taking 3 to 4 hours, drilling holes-does Mayville Engineering Company (MEC) know this, industrial park businesses give a lot back to the community, possibly setting the tent up on the lawn instead of the blacktop, could they rent a tent instead, needing to support our industrial park businesses-promote them.

Motion Petkovsek, second Counsell, to table the request for more information. All Aye.

Mayor Poeschel and Director of Public Works Friemoth will meet with those involved.

Mayor Poeschel stated that we all know we have a homeless situation throughout the City.

Chief of Police Mankowski stated that there are two types of homeless: 1) those that are unsheltered (we have about six people) and 2) people who go from place to place.

Discussion on being a County Seat problem, having them in public places with children walking past, lacking restroom facilities, the City can’t set up a City Shelter-lack of funding and legal concerns, the root cause of the problem is people being released from probation or incarceration with no place to go, trying to figure out a way to work with the Department of Corrections (DOC) and Department of Justice (DOJ), we don’t have squatters, panhandling going on, if these people had a place you would know where they are, homeless are moving around with no fixed place, out by the hockey rink is to far for them to walk to Kwik Trip or fairground showers, someone stole a homeless person’s tent (that is not right and if caught will be charged).

Discussion continued on Winter time-they bundle up, hang out at the Library or in the laundromat, if you set something up are you enabling them, what is happening with the Senior Center building, we are seeing it more often people get out of jail-your free to go-you have no place to go.

Mayor Poeschel asked everyone to give it some thought, research, we need to come up with a solution.

Karen Hurd, State Representative introduced herself-she is running for the 69th Assembly District.

Hurd stated that with the new legislative districts the 69th Assembly District became open as Representative Rozar was drawn out of district. Hurd moved from Fall Creek into the district to run here.

Hurd talked about homelessness, the Maintenance of Effort (MOE) paperwork all municipalities have to file for maintaining the service levels for police, fire and EMS personnel, the State bailing Milwaukee out of bankruptcy, the Milwaukee pension fund going broke because of borrowing funds and risky investments, all their new employees have to become part of the Wisconsin Retirement System and the old Milwaukee Retirement System will fade away, Milwaukee was allowed to have a sales tax which is now 9% total.

Council Member Petkovsek asked Hurd about the municipal levy limits we have been living under for many years. The limits should be removed-let the City Councils and County Boards handle their own.

Fire Chief Meyer reported on Second Quarter 2024 activities. Attending a Police and Fire Commission meeting, assisting the Clark County Sherriff’s Department in cutting apart a vehicle, conducted the semi-annual hose test, attending a Clark County Emergency Services meeting in Curtiss, changing the Smokey Bear sign for fire conditions, conducted a 38 acre controlled burn in the Town of Hewett, attending the groundbreaking for the new Chili Fire Station/Community Center, provided a truck and crew for the Rock Crawlers event at the Fairgrounds, burnt three brush fires, escort and traffic control for the Highground Motorcycle ride, fire inspections, two trucks and equipment for June Dairy breakfast display, filled four pools, attended Community Fire Hall and Rural Fire Board meetings, attended a Personnel Committee meeting, conducted a home inspection for a foster home and lit the 4th of July fireworks at the Fairgrounds and Highground freedom event.
